

HWCI NCAA POOL: ALL-TIME MONEY WINNERS (1995-2002)

Here are the all-time money winners in the pool. Scott T. leads the money winners with \$590 won (\$500 for Scott T (1) and \$90 for Scott T (2)). Newcomer Jeff H. has the best average winning \$200 in just one year of play. Six people have won at least twice. No one has won 1st Place in the pool twice. If you were to choose the top seeds in each round and use the final AP poll before the tournament to make your Final Four picks, the only time you would have won money was 2nd Place in 1997. Coincidentally, Brian S. took that prize and he is the only person to average less than \$10 (the fee for pool) per year of play (i.e., spent \$80, won \$60). The averages only take into account per entry, not per person (e.g., Robinson C. has entered three times in each of the past two years (total 7 entries), but the entry that won has been in three years. So cummulatively, Robinson C. has won \$280 with 7 entries).
