

HWCI NCAA Pool: Player Register - All-Time (1995-2002)

Here are the all-time records for every person who's participated in the HWCI NCAA pool. The list is in an alphabetical order, but last names were removed for sensitivity purposes. "BY SEEDINGS" is calculated by picking all the top seeds and then using the last regular AP poll as the guide in the Final Four.

NOTES: YR- # of years appeared, PTS- Tot # of points won, PL- Cummulative total of placements in pool,

PPT- Cummulative total of power points (inverse of placement (1st place in pool of 30 people = 30 pts, 2nd place = 29 pts, etc.)

WT- Weighted power points average (max 1.0 per pool), 1W-6W- # wins per round, TW/TL- Total # of wins/losses in pool

WIN%- Winning percentage, PL-AV- Average placement in pool, PPT-AV- Average # power points per pool, WT-AV- Average weighted power points average (max 1.0 per pool)
