

HANK YOU FOR YOUR DONATION!

Because of your support, \$73.00 will be applied to the American Cancer Society's life saving work!

Your support allows the American Cancer Society to:

- Help people stay well by helping people everywhere take steps to prevent cancer or detect it early, when it's most treatable
- Help people get well by being in their corner around the clock to guide them through every step of their cancer experience

- Find cures by funding groundbreaking research that helps us understand cancer's causes, determine how best to prevent it, and discover new ways to cure it
- Fight back by working with lawmakers to pass laws to defeat cancer and rally communities worldwide to join the fight

If you would like more information about cancer or the American Cancer Society's programs and services, please call us anytime at 1-800-227-2345 or go to cancer.org.

This is your gift receipt. Please print and save for your record.

Please Note: No goods or services were provided for this gift. Your gift is deductible to the fullest extent of the law. Please consult your tax advisor regarding specific questions about your tax deductions.

Did you know there is a fast and easy way to double your donation and in doing so, double your impact in the fight against cancer? Many companies offer a matching gift program, and in these tough times, matching gifts are more important than ever. Please visit our Matching Gifts page, or check with your employer to see if you can double your donation by having them match your charitable donation.
