

HWCI NCAA All-Time Money Winners (1995-2004)

Here are the all-time money winners in the pool. Scott T. leads the money winners with \$590 won (\$500 for Scott T (1) and \$90 for Scott T (2)). Newcomer Darius B. has the best average winning \$180 in just one year of play. Eight people have won on at least twice. No one has won 1st Place in the pool twice. If you were to choose the top seeds in each round and use the final AP poll before the tournament to make your Final Four picks, the only time you would have won money was 2nd Place in 1997. Mike B. won for the first time in nine tries (avg \$4.44), thanks to the Bonus Prize. He and Brian S. are the only two people who have won to average less than \$10 in the pool. The averages only take into account per entry, not per person (e.g., Robinson C. has entered three times in each of the past four years (total 13 entries), but the entry that won has been in five years. So cummulatively, Robinson C. has won \$280 with 13 entries).
