3/14/96, Issue # 4.1.1 "Choker of the Year: UCLA"

West Carolina nearly pulled off the biggest upset in NCAA Tournament. Princeton did. Arkansas rekindles 1994 championship spirit. Who is Drexel? Duke vanishes. Well, how did everyone do??

Just BERNIE picked the Tigers. No one pegged Drexel. Just four thought Arkansas could pull out the victory. After one day, THE FABONE and LIVER BOY are tied for first with 26 points (13 of 16). REALISTIC MOBELFAKTA and CHURRO QUEEN bring up the rear with 18 points so far. Last year MR. NELSON was 2nd to last after one day of play and finished second. THE FABONE finishes tied for first (same point total and projected point total (187)) once again after one day of play (ended up in fourth place). BIX PIX II struggled as the defending HWCI NCAA Tournament Pool champion tied for 6th (22 points).

Here are the finalized rules and prize monies:

- * \$10.00 ENTRY FEE

Gosh, how depressing and pitiful! UCLA lost in the first round to Princeton. That's pathetic! Boy, am I glad I didn't put any money in because if I had I would have lost big time. And looking at my recent e-mail messages, so did Fernando. Sorry! But if you ask me, UCLA didn't really want to win anyway. We decided that it was about time that the other guys have a chance at something that wouldn't normally be in their grasp. (Wishful thinking?)

Um...yeah! I guess so...we really did want to give Princeton the win, since the last time they won was in '87, and that they were the pathetic 13th seed, and this game would have been their coach's last game had they lost, and UCLA really didn't want to embarrass Mississippi St. and Connecticut again after the previous year's losses to us...what can we say, we're nice guys. Damn you Toby! I told you not to shoot the three's! I

wish we had lost on a turnover instead of taking the final shot...it would have summarized our season to a "T". Good, good! These young arrogant...yeah, Jelani, I'm talking to you!; don't run down the court with your mouth open...Bruins deserved it. God, how I wish I had graduated last year, at the time of our Championship. People will ask me, "What school did you go to?", and I would have to say "I graduated from UCLA in '96" and they'd say, "Oh yeah, they choked in the tournament; you're a loser, ha ha!". Then I would have to hide my face in shame. Man, I'm sleepy and I have a TWO! (said emphatically) papers due tomorrow. good night.

3/15/96, Issue # 5.1.2 "Bix Pix Returns to Terrorize"

BIX PIX TWEY, the defending HWCI NCAA Tournament Pool Champion, blazed back to first place with a HWCI record 15-1 Friday. The only blemish for Bix Pix Twey was one that seemed in the cards. # 11 George Washington blew a 17-point lead as # 6 Iowa rallied to win and knock out BIX PIX TWEY's perfect record.

THE FABONE took two chances, as the only person to pick Oklahoma over Temple and one of two to pick New Orleans over North Carolina. These two losses pushed THE FABONE in a six-way tie for second, behind BIX PIX TWEY.

THE CHEF, who led after 1/2 day of play on Thursday with 7 of 8 correct, has fallen to second to last, picking just 14 of the next 24 games. REALISTIC MOBELFAKTA brings up the rear with just 40 points (20 of 32 correct).

Just four people picked # 10 Santa Clara over Maryland.

Here are the finalized rules and prize monies:

- * \$10.00 ENTRY FEE
- * 19 participants, total prize pool of \$ 190.00
- * 1st PRIZE: \$ 110.00

3/16/96, Issue # 6.2.1 "Purdue Upset!"

1 Purdue fell to # 8 Georgia in the West Region on Saturday. Only one person predicted Purdue, who barely beat # 16 Western Carolina on Thursday, would fall in the second round. Unfortunately, THE MIGHTY MOBELFAKTA picked Clemson, Georgia's first round victims, over Purdue. No one picked # 12 Arkansas to advance to the Sweet Sixteen.

Five people correctly picked Mississippi State in the second round, giving just three people a 6-2 record for the day. This propelled JAYBIAN over BIX PIX TWEY by one point (68 to 67) for first.

HEATHER and THE TAUREAN picked just 3 of 8 games. HEATHER falls to last with 53 points.

After today, we will see if anyone has been eliminated from any prize money.

3/17/96, Issue # 7.2.2 "Might is right"

2 Wake Forest held on to defeat # 10 Texas to preserve two perfect records. THE MIGHTY MOBELFAKTA went a perfect 8-0 for the Sunday to move into a first-place tie with JAYBIAN and JOSEPH with 86 points. LIL' SAIGON also went 8-0 to move into a 3-way tie for fourth place. SON OF ANDY'S CRAP was the only other player to pick # 6 Louisville over # 3 Villanova.

Already, three people have been eliminated from competition. CHURRO QUEEN, THE CHEF, and HEATHER can't finish higher than fourth place. HEATHER picked just 7 of 16 2nd Round winners (a new HWCI record low) and is in last with just 65 points. However, THE CHEF can only pick up a maximum of 98 points, while HEATHER can pick up at most 141 points.

JAMES and SON OF ANDY'S CRAP can finish no higher than 2nd place, while JUST AL can finish no higher than third place.

JAYBIAN can pick up a total of 170 points and is just one of four people to still have its Elite Eight picks intact.

* Dave has informed me of two minor modifications to the point totals due to wrong data entry (he is running the pool on three or four different programs, and only these two had discrepancies):

1. JOSEPH had picked Okalahoma in the first round, not Temple. His new point total is 84 (not 86) and is tied for fifth.
2. JAMES had picked Virginia Tech in the first round, not WGB. His new point total is 83 (not 81) and is tied for 8th.

Also, JAYBIAN is one of THREE, not four, people to have their Elite 8 picks intact.

2 Wake Forest survived #6 Louisville's last second possession to keep 11 people a perfect 4-0 day. UMass and Kentucky scored easy victories. # 2 Georgetown fought it out and snapped # 3 Texas Tech's 23-game winning streak.

BIX PIX TWEY and SAY IT AIN'T SO JOE were the only two people in the top 10 to not have a perfect day. Both picked 3 of 4 games. Just three points separate first from ninth place. JABIAN and THE MIGHTY MOBELFAKTA held on to their first place tie with 102 points.

JUST AL, THE TAUREAN, and CHURRO QUEEN were eliminated from the top three spots, leaving just 12 competitors left for the \$190.00 pot. JUST AL, THE TAUREAN, and THE CHEF, now in last place with 74 points, picked just 2 of 4 correct. Defending HWCI NCAA Pool Champion BIX PIX TWEY was officially eliminated from first place, leaving a path for a new HWCI NCAA Pool Champion.

3/22/96, Issue # 10.3.2 "Huskies fall!"

The two worst things that could have happened to THE FABONE on Friday night . . . did. It was bad enough to have his # 1 UConn Huskies get upset by a strong # 5 Mississippi State Bulldog team, but # 8 Georgia also blew a 12-point lead to # 4 Syracuse and lost in overtime in dramatic fashion. The Bulldogs held 2-point leads with under 5 seconds left in both in regulation and overtime. The UConn loss knocked THE FABONE to at most third place, but the Syracuse win eliminated him altogether. This was the second straight year THE FABONE was eliminated on an unnecessary and errant 3-point attempt. UConn, with 25 seconds left and trailing by three, elected to force a 3-point try instead of getting an easier two-point bucket. Last year, North Carolina, tried an endless barrage of threes even with ten minutes left in the game and even though Arkansas was not playing well. So even though THE FABONE is tied for sixth place, he can't win any money.

Cincinnati's win eliminated SON OF ANDY'S CRAP.

JAYBIAN continues his rampage through the tournament. He set a new HWCI record by going a perfect 8-0 in the third round. He now holds a 6-point lead over 2nd-place HATE THE DUCKS. While HATE THE DUCKS (was TINA'S BOY) was fighting for last place at this time last year, he is now in a race for first. JAYBIAN is almost all but assured of either first, second, or third place. Out of the 128 possible outcomes from now until the Championship, he can win money on 111 of them. HATE THE DUCKS can win money on 82 possibilities.

There are only five other people left in the running for the HWCI NCAA Tournament Pool Championship. REALISTIC MOBELFAKTA, which was last after one round of play, and SAY IT AIN'T SO JOE will play together. They are currently tied and will be tied no matter what happens. They both can have a virtual tie for first (before tiebreaker) if UMass wins it all and they beat either Mississippi St.,

Cincinnati, or Syracuse in the final.

Despite being in 14th place, LIVER BOY can win it all if UMass beats Kansas in the final and take third place if UMass beats either Cincinnati or Mississippi St. in the final. LIL' SAIGON can win it all if Georgetown beats Cincinnati in the final (as well as five other possibilities). SHAMAN has 16 chances to win it all, most hinging on Mississippi St. doing very well.

Five other people still have a chance for 2nd or 3rd place.

The tiebreaker, as instituted by Dave, will be total points in the final. Details are still sketchy, but after Sunday's games, everyone still in the race will have a chance to revise their "magic number", if necessary. Full tiebreaker details will be announced on Tuesday.

3/23/96, Issue # 11.4.1 "Hoyas loss narrows field"

The much anticipated UMass-Georgetown turned out to be a huge blowout for # 1 Minutemen finally make it to the Final Four. The Georgetown loss nearly dismantled HATE THE DUCK'S chances for first place. He now has only 2 chances (of 32) for first (tie) and that is if Kansas beats UMass in the final. JAYBIAN finally took a hit with the Hoyas loss and he now has 24 chances for first place and one chance for second place. He still holds a 3-point lead over BIX PIX TWEY (who can't finish higher than second place anyway) with 124 points.

JOSEPH and JAMES have identical final four picks, and consequently, JOSEPH will always finish one point higher than JAMES. THE FABONE, although tied for fourth place, is eliminated from the pool.

1 Kentucky's fourth straight blowout win in the tournament knocked both SHAMAN and THE MIGHTY MOBELFAKTA to at most third place. The UMass win eliminated both BERNIE and THE MIGHTY MOBELFAKTA and knocked LIL' SAIGON to at most a second place finish.

Only five people now have a chance to win the 1996 HWCII NCAA Tournament Pool. THE CHEF, now with just 80 points, will set a new HWCII low for points in a tournament pool.

After Sunday's games, there will be a printout of all eight possible (before tiebreaker procedures) outcomes of the tournament.

3/24/96, Issue # 12.4.2 "Upsets galore!"

4 Syracuse and # 5 Mississippi St. beat their respective region # 2 seeds to advance to the Final Four in East Rutherford, NJ. All 19 people went 0-2 for Sunday's Regional Finals. The Orangemen held off # 2 Kansas and consequently knocked off HATE THE DUCKS and SHAMAN from the list of eligible people who can win money and knocked LIVER BOY to at most third place. HATE THE DUCKS was battling for first (three points behind LIVER BOY) as late as Friday night (and 82/128 chances for money), but he went 0-4 in the Regional Final games for a quick elimination.

The Bulldogs continued to roll upsetting # 2 Cincinnati in rather easy fashion. This is Mississippi St.'s first Final Four appearance. The Bearcats loss eliminated LIL' SAIGON and narrowed the field for money takers to just seven. Only three people now have a chance to win the 1996 HWCi NCAA Tournament Pool.

JAYBIAN is still in the best shape (6 of 8 chances for first) but can lose it all if UMass wins it all. Then SAY IT AIN'T SO JOE and REALISTIC MOBELFAKTA will tie for first.

Tomorrow I will post the eight different scenarios and who would win what (Final Four Possibilities).

* The Tiebreaker will be as follows:

1) *Total points in Championship Game*

The person closest, above or below, to the total points

scored in the 1996 NCAA Championship Game will win the tiebreaker.

if tied then-

2) *Split monies*

The people tied for prize will split the prize money awarded to that said prize.

(e.g., 2 tied for first place would split \$160.00)

(e.g., 2 tied for second place would split \$ 80.00)

(e.g., 2 tied for third place would split \$ 30.00)

3/25/96, Issue # 13.5.0 "The Eight Scenarios"

Basically it comes down to if this: if UMass wins the 1996 NCAA Championship, then SAY IT AIN'T SO JOE and REALISTIC MOBELFAKTA will tie for first place; otherwise, JAYBIAN becomes the new 1996 HWCI NCAA Tournament Champion.

Essentially there are now only four scenarios due to the fact that no one picked Mississippi St. or Syracuse to go to the Final Four on the other half of the bracket.

Here are the tiebreaking procedures once again:

* The Tiebreaker will be as follows:

1) *Total points in Championship Game*

The person among the tied bettors closest, above or below, to the total number of points scored in the 1996 NCAA Championship Game will win the tiebreaker.

if tied then-

2) *Split monies*

The people tied for prize will split the prize money awarded to that said prize.

(e.g., 2 tied for first place would split \$160.00)

(e.g., 2 tied for second place would split \$ 80.00)

(e.g., 2 tied for third place would split \$ 30.00)

There are three possibilities for a tie in the first tiebreaker:*if UMass is in the final _and_**if total = 164 (SAY IT AIN'T SO JOE/REALISTIC MOBELFAKTA tied)**or if total = 162 (BIX PIX/REALISTIC MOBELFAKTA tied)**or if total = 156 (SAY IT AIN'T SO JOE/BIX PIX tied)*

BIX PIX TWEY and REALISTIC MOBELFAKTA will try to get into the money spot for the second year in a row, while newcomers SAY IT AIN'T SO JOE, JAYBIAN, JOSEPH, and JAMES will try to strike it rich on the first try. LIVER BOY will try to avenge last year's 8th place showing.

1996 HWC NCAA Pool - Final Four PossibilitiesScenario One (if UMass wins it all)*If U MASS beats MISS ST in the final, then the possible winners are...*

Say it ain't so Joe Score:133 (tiebreak=158)

Realistic Mobelfakta Score:133 (tiebreak=170)

Liver Boy Score:132 (place 3 winner)

If U MASS beats SYRACUSE in the final, then the possible winners are...

Say it ain't so Joe Score:133 (tiebreak=158)

Realistic Mobelfakta Score:133 (tiebreak=170)

Liver Boy Score:132 (place 3 winner)

Scenario Two (if UMass loses in Championship)*If MISS ST beats U MASS in the final, then the possible winners are...*

Jaybian Score:124 (place 1 winner)

Say it ain't so Joe Score:121 (tiebreak=158)

Realistic Mobelfakta Score:121 (tiebreak=170)

Bix Pix Twey Score:121 (tiebreak=154)

If SYRACUSE beats U MASS in the final, then the possible winners are...

Say it ain't so Joe Score:121 (tiebreak=158)

Realistic Mobelfakta Score:121 (tiebreak=170)

Scenario Three (if Kentucky loses in Championship)*If MISS ST beats KENTUCKY in the final, then the possible winners are...*

Jaybian Score:132 (place 1 winner)

Bix Pix Twey Score:129 (place 2 winner)

Joseph Score:128 (place 3 winner)

If SYRACUSE beats KENTUCKY in the final, then the possible winners are...

Jaybian Score:132 (place 1 winner)

Bix Pix Twey Score:129 (place 2 winner)

Joseph Score:128 (place 3 winner)

Scenario Four (if Kentucky wins it all)

If KENTUCKY beats MISS ST in the final, then the possible winners are...

Jaybian Score:144 (place 1 winner)

Joseph Score:140 (place 2 winner)

James Score:139 (place 3 winner)

If KENTUCKY beats SYRACUSE in the final, then the possible winners are...

Well, no one will care about the Syracuse-Mississippi St. game (except to determine which team will be easier to beat in the final), but seven people have money on the line for the Kentucky-UMass game. Here's what will happen on Saturday...

if KENTUCKY wins...

- (1) JAYBIAN wins \$110.00 and is new HWCi NCAA Pool Champ
- (2) SAY IT AIN'T SO JOE, REALISTIC MOBELFAKTA, and LIVER BOY are eliminated
- (3) JOSEPH guaranteed at least 3rd place

if UMASS wins...

- (1) JOSEPH and JAMES are eliminated
- (2) tiebreakers will determine 1st/2nd or 2nd/3rd place

Good luck to the remaining participants! And remember, to the spoils go the dinner ;-)

The NCAA Score program will automatically institute the following tiebreaking procedure...

* The Tiebreaker will be as follows:

1) *Total points in Championship Game*

The person closest, above or below, to the total points scored in the 1996 NCAA Championship Game will win the

tiebreaker.

if tied then-

2) *Split monies*

The people tied for prize will split the prize money awarded to that said prize.

JOSEPH is guaranteed at least third place. In earlier action, Syracuse ended Mississippi State's Cinderella run to advance to the Championship game.

THE CHEF lost his final match with UMass losing and ends up with an all-time HWCI low of 80 points.

As for the HWCI NCAA Pool, JOSEPH and JAMES took 2nd and 3rd, respectively, to round out the top 3 spots. THE TAUREAN exactly picked 143 total points while THE FABONE was off by just one point. HATE THE DUCKS (for 12th place) and SAY IT AIN'T SO JOE (10th) won their tiebreakers. The 1997 HWCI NCAA Pool Champ JAYBIAN finished with 144 points.

1996 National Championship Recap

The beginning of Kentucky's 1996 national championship can be traced back to the 1994-95 season, when the Wildcats suffered a season-ending loss to North Carolina. Head coach Rick Pitino constantly referred to that game throughout the 1995-96 season, using it as a reminder to his players that they must play as a team, and not as individuals.

The strategy worked, as Kentucky stormed through the NCAA championship, winning its sixth national title. Kentucky became the first school to win national championships under three different coaches.

Kentucky featured a 10-deep playing rotation, with little or no drop-off when substituting. That depth, combined with the Wildcats' pressing, running style, helped Kentucky establish an NCAA championship record for margin of victory (21.5 points).

In the final, Kentucky met a surprising Syracuse team, which had advanced behind the stellar play of forward John Wallace and a tough 2-3 zone defense. Led by 24 points from Tony Delk, voted the most outstanding player, the Wildcats held off the Orangemen, 76-67.
