The Rules

[[The Rules](#) | [How to Enter](#) | [Standings](#) | [Links](#) | [For the Record](#) | [Scott's Latest Update](#)]

Who's eligible to join the pool?

HWCI members, friends, and family.

What are the requirements?

The only requirements are that the \$10 entry fee is paid before the 2nd day games have begun, and that the pertinent entry information is received before the start of the tournament. The pertinent entry information would include:

- Real name
- Preferred nickname (I am the Mighty Mobelfakta, so that name's taken already).
- Prediction for the total combined score of the championship game (for tie-breaking purposes).
- Predicted winners of all 63 tournament games.

Our Web Entry form is the most convenient way to get that info to us. See the section [How to Enter](#).

How are the points scored?

2 points for each 1st round win
3 points for each 2nd round win
4 points for each 3rd round win
6 points for each 4th round win
8 points for each 5th round win
12 points for correctly picking the NCAA Champion

There is no weighting for "upsets".

How is the prize money distributed?

In 2002 with 80 entries, there was a first, second, third, and fourth place prize. The \$800.00 pot was split as follows: 1st-\$400.00, 2nd-\$200.00, 3rd-\$130.00, and 4th-\$70.00. This year the money will be split with roughly the same proportions going to the winners.

If there are enough entries into the pool this year, there will be additional "wild card" prizes (such as correctly picking the lowest seeded team to reach the 2nd or 3rd round, best conference win total, etc.). This will be finalized once we get all the entries in.

What if there's a tie?

The participant whose prediction comes closest (higher or lower) for the final combined score of the championship game will win the tie-breaker. If there is STILL a tie, the money will be split. For instance, if there is a tie for first place, the winners will split the combined prize money for first and second place. FYI, in eight years of running this pool, there has only been one tie for prize money.

Can I enter more than once?

Each person can enter up to 3 times.

How To Enter

[[The Rules](#) | [How to Enter](#) | [Standings](#) | [Links](#) | [For the Record](#) | [Scott's Latest Update](#)]

1. The most convenient method of entry for those with internet access would be the web entry form which can be accessed [here](#). Otherwise, get thee a copy of the NCAA Men's Tournament Bracket. The most convenient place to get one would be the sports section of your local newspaper. You can also get the brackets at various sports related web sites ([ESPN](#), [FinalFour.net](#), [CBS Sportsline](#), etc.). If you are planning to enter online via this web site, skip to step 6 below.

2. Fill out the brackets completely using all the college basketball wisdom you can conjure up.

3. Make a prediction for the total combined score for the championship game. For instance, if you think the final score will be 82-76, your prediction would be 158.

4. Create a nickname for yourself. This is important, because if you don't give us one, we'll make one up for you. Historically, these assigned nicknames have not been flattering.

5. Send all that precious information this-away before the first game on Thursday, March 20. Obviously, the fastest way to get the info here is via the web entry form or by e-mail ([ncaa\(at\)hwci.com](mailto:ncaa@hwci.com)). If sending your picks by e-mail, the most efficient way of completing this tedious task is to format your picks as follows:

Nickname:
Final game total score:
NCAA Champion:
Runner-up:
Final Four losers (round 5):
Round 4 losers (4 teams):
Round 3 losers (8 teams):
Round 2 losers (16 teams):

6. And finally, you must arrange to have your entry fee of \$10 sent to us. There are three basic methods for payment:

1. Personally hand the \$10 fee to an HWCi member by March 20
2. By check sent by snail mail (mailed and postmarked by March 20, the first day of the tournament). Please e-mail us at [ncaa\(at\)hwci.com](mailto:ncaa(at)hwci.com) to get the address to which mail the checks.

Important exception: If you have an HWCi member who can vouch for you and front your money, this is not a hard deadline.

Paying with PayPal

PayPal is the most popular and established method of transferring funds between independent parties over the internet. Personal accounts are free. To pay via PayPal, you can click on the link below:

\$10.00 - No Credit Card Option

If you don't already have a PayPal account, you'll need to sign up for one. In the past, because hwci@hotmail.com is a personal PayPal account (as opposed to Business or Premier), ***we could not accept credit card payments***. If you try to send a credit card payment, it will be rejected. This means you will have to set up your PayPal account to withdraw from a verifiable bank account. To do this, you'll need your bank account number and routing number ready.

But now, to make things more convenient, if you prefer sending a credit card payment, you can now send \$10.61 (2.9% + 32¢ PayPal fees) per entry to smt0222@yahoo.com (which is a Premier account).

\$10.61 - Credit Card Card Payments Only

Remember, if you have any questions, address them to [ncaa\(at\)hwci.com](mailto:ncaa@hwci.com).

Issue # 1.0.1 "UCLA Back to a # 1 Seed"

[

[Home](#) | [Blog](#) | [Updates](#)]

TOP FOUR NOT A SURPRISE FOR ONCE

Our 14th year could top 100 entries

CERRITOS, CA (smt)- Local team UCLA claimed a #1 seed (West) for the first time since 1995, the first year our HWCi NCAA Pool existed (a good omen?). However, UNC is the top #1 seed (East) with other conference tourney champions Memphis (South) and Kansas (Midwest) taking the second and fourth #1 seeds, respectively... and all four #1 seeds are in the correct local region, for once. As a statement how bad the Big 10 has been, regular season and conference tourney champion Wisconsin only got a #3 seed (Midwest). The Baltimore/Washington DC metro area got five teams (UMBC, Coppin St., American, George Mason, & Georgetown) while the Greater Philadelphia (Temple, Villanova, & St. Joseph's) and Los Angeles Metro area got three (UCLA, USC, & Cal St. Fullerton) each. Six teams are from California (+ Stanford, St. Mary's, & San Diego) and five are from Tennessee (Austin Peay, Belmont, Memphis, Tennessee, & Vanderbilt). The Big East led the way with eight teams while the Pac 10, Big 12, and SEC all got six. Even the Sun Belt conference got two teams. Also, both finalists from last season, Florida (2-time champ) & Ohio St., failed to qualify, which will stop Ohio St.'s streak of choking in football & basketball championship games at three.

The best story this weekend was Georgia, who won [3 games in 2 days](#) (while crybaby NBA players have a rule where they can't play 3 games in 3 days) to win the SEC tourney and knocking off a bubble team (maybe Virginia Tech or Arizona St.) out of the NCAA field. Their 14th seed has to be one of the lowest for a power conference in recent memory and could be a sleeper to pull off the early upset. Coppin St. won the MEAC title and enters the tourney with a record 20 losses... but they've already played 36 games (did they play 2 games in one day like Georgia did?! Meanwhile, Cornell only played 27 games (of course, the Ivy League has no tourney). The battle of the freshmen get an early start with Michael Beasley's Kansas St. taking on O.J. Mayo's USC Trojans.

Three teams have made the HWCi NCAA Pool every year and two of them, Arizona (14 as the

most losses ever for an at-large team and a below .500 conference record) & Kentucky, were on the bubble but made the field of 65 (the third is Kansas). Kentucky is 13-0 in first round games (during our pool era) for those counting but have never been lower than an 8 seed before (they're 11th in the South). Nine teams are making their debut during our pool era with Drake possibly being the fan favorite (sorry, Gonzaga).

You can mail your entry fee (email me for snail mail) or give your \$10 (per entry) to someone who will give the money to David or Scott. We are accepting PayPal (check or PayPal funds only) to "hwci@hotmail.com" or credit card PayPal payments to "smt0222@yahoo.com" (but the entry fee is \$10.61 (61 cents in PayPal fees... damn them!)).

Van P. won our biggest prize to date, \$450, thanks to having a perfect Elite 8 & Final 4. Last year we had 98 entries and hope to top 100 this year, which could trigger a 5th place prize. I am experimenting with a [blog](#) to communicate in-game updates and such but we also still have the [Discussion Forum](#). Please feel free to post comments on the blog and express your ego on the Forum.

Issue # 2.0.2 "Twenty-One Losses"

[

TAR HEELS FIRST VICTIM: MT. ST. MARY'S *An Even Forty Entries are in; Deadline is 9 AM PDT Thursday*

CERRITOS, CA (smt)- The #64-Mount Saint Mary's Mountaineers (or The Mount (huh?)) handed in-state patsy #65-Coppin St. its 21st loss of the season, 69-60, to earn the #16E seed and right to get trounced by #1E-UNC on Friday. The ever-popular (sarcasm) Opening Round game at least allows a team to earn an official, bona-fide NCAA tournament victory.

For us local folks, [KDOC-TV](#) (Ch. 56) will [televis the Cal State Fullerton match](#) since it conflicts with UCLA's match on CBS. Unfortunately, I'll be in Austin, but it's a nice gesture. And Don M. (**WOODEN_SOLDIER**) has alerted us that a new site, [Joost](#), will be testing P2P streaming of the March Madness on Demand (they admit it will be very buggy) which could increase bandwidth and help view the content. We shall see.

Actually having the website up early has helped, as we have 40 entries so far, a record for this point in time. The last two years we have had admin travel issues and hard drive failures which caused the site to not go up til Monday (not that it stopped us from setting new entry records). This year, we were actually down for about 4-5 months as we lost our host server so we had to look for a home. So we went from almost free hosting to having to pay lots of money for hosting. We finally found one in late February, wrote the check, and here we are.

Since I'll be in Austin for the rest of the week (we leave early this morning), I'll be slow to respond to emails but should be at the hotel late Wednesday and Thursday morning. You can always check our [Blog](#) for the latest info. I am using the blog rather than sending out mass emails for any late breaking news that can't wait until the next update.

You can mail your entry fee (email me for snail mail) or give your \$10 (per entry) to someone who will give the money to David or Scott. We are accepting PayPal (check or PayPal funds only) to "[hwci\(at\)hotmail.com](mailto:hwci(at)hotmail.com)" or credit card PayPal payments to "[smt0222\(at\)yahoo.com](mailto:smt0222(at)yahoo.com)" (but the entry fee is \$10.61 (61 cents in PayPal fees... damn them!). Please let us know if you are mailing a check.

Enter [online](#) now! You can also fax your entry to me at (720) 368-0816 or email us for a snail mail address (postmarked by Thursday AM). Make arrangements (such as PayPal) to send in your \$10 entry fee(s) by March 20th. Issue # 3.1.1 "A UCLA Perfect Day"

[

[Home](#) | [Blog](#) | [Updates](#)]

FAVORITES RULE; UCLA WINS & USC LOSES

Unofficially, a record 99 entries test their skill or lack thereof

AUSTIN/SAN ANTONIO, TX (smt)- #1W-UCLA led a day of routs (embarrassingly holding #16W-Miss. Valley St. to just 29 pts) while cross-town rival #6MW-USC was one of only two teams upset on a long day of uneventful basketball. #3W-Xavier, #1MW-Kansas, #5S-Miss. St., #6W-Purdue, #8MW-UNLV, #4S-Pitt, #3W-Stanford, #4E-Wash. St. (outscored #13E-Winthrop 42-11 in the 2nd half to break a 29-29 tie at halftime), #7W-West Virginia, #3MW-Wisconsin, and #5E-Notre Dame all joined UCLA in double-digit wins as the favorites. #2W-Duke got a couple of late breaks (amazingly, not from the officials, but from the opponent) to get the go-ahead basket and stop #15W-Belmont's upset bid, 71-70. #11S-Kentucky lost an opening round game for the first time in the HWCi Pool era (was 13-0) in falling to #6S-Marquette. Locally (here in Texas), #9W-Texas A&M was a mild upset win over #8W-BYU.

In the battle of the so-called elite freshmen, #11MW-Kansas St., a bubble team, ran away from USC with K-St's Michael Beasley (23 pts, 11 reb) out dueling USC's O.J. Mayo (20 pts, 5 asts). The first three games all had the loser scoring 61 pts and local team (here in SoCal) #14MW-Cal St. Fullerton needed at least 70 for a chance and came up 14 pts shy. Defenses kept three teams scoring 13 or less points in a half (Miss. Valley 13, Winthrop 11, & #9MW-Kent St. 10) while Xavier's defense helped them overcome an 11-pt 2nd half deficit in beating down a tired, tired #14W-Georgia team who was probably not used to 3 days rest after playing 3 games in 2 days.

In our [14th Annual HWCi NCAA Pool](#), we unofficially have 99 entries which tops last year's record 98. We hope to get the final count done by the weekend. The lack of drama on the court [translated to the standings](#) as 11 are tied for first with 30 pts (15-1 record) while 19 have 28 pts (14-2). **SPITAKULARR** and **JUNO INO** got the first 12 games correct before #10W-Arizona's loss stopped them. Twenty-one entries had started the day 8-0. The unofficial [team choice distribution](#) and [individual choice listing](#) reports are on the web now. Also, the

unofficial [Who's Who](#) is posted, and if you don't see your name there let us know immediately.

Notes / Notas: Seeing **QUICKPICK MCGRAW** last with just six wins on the day should make it obvious this is a ten dollar "quick pick" by Jake P. (he has two other entries, hence the experiment). In normal action, four are tied with just 18 pts (9-7)... there are two Big Reds- **BIGRED** (Chris F.) and **BIG RED** (Patrick N.)- which just makes my life harder (and Patrick declined to change his nickname - with any luck, they'll be tied at the end)... there were two entries (**MR F** and **DR. FUN**) who we can't tie to actual people yet which is why they aren't included in the 99 entries; we hope to solve this case soon... if we do get an 100th entry, we will add a 5th place top prize... we have 10 people who submitted two entries and a record three people submitting the max 3; BTW, next year, the max entry will likely drop to two, which means Robinson C.'s usual third entry **SAMURAI JACK** will be retiring after 8 years...

The latest daily pool information can be found on the official site: <http://www.HWCI.com/ncaa> and on our blog at <http://www.HWCI.com/wordpress>.

2008 HWCi NCAA Pool Update

Friday, March 21, 2008 (Rev A)
Issue # 4.1.2 "Tampa, Upset City"

[

FOUR GIANTS FALL IN TAMPA

Wokim sits alone on top while unofficial tally is now 101 entries

AUSTIN, TX/CERRITOS, CA (smt)- The lucky fans in Tampa who went to all four games saw four major upsets (we're not talking about a #9 beating an 8) as the early doubleheader featured two overtime games with #12W-Western Kentucky and #13W-San Diego pulling off last second heroics (with W.Ky's a bona-fide actual buzzer-beater; just the second in five years (from my count)). The evening doubleheader saw #13MW-Siena and #12MW-Villanova (rallying from 18 pts down in the 1st half) repeat what happened in the morning session (the first time four upsets happened at the same site). Elsewhere, #10MW-Davidson (led by Stephen Curry's 40 pts) just about officially put the torch out on #7MW-Gonzaga's mystique and #9E-Arkansas upended #8E-Indiana pushing the total to six upsets for the day. Whereas #7S-Miami, #7E-Butler (silencing the local favorite, #10E-South Alabama), #2MW-Georgetown, #2S-Texas, #1E-UNC (113 pts), #3E-Louisville, and #1S-Memphis (though not the routs like the other #1 seeds) all won easily, a couple of two seeds (E-Tennessee and MW-Georgetown) needed late surges to put the game out of reach. #8S-Miss. St. rallied from 13 points down in the 2nd half to advance to the second round.

While Miss. St. missed 12 3-pointers in a row (to start the game), Oregon topped that by missing 18 in a row in the second half, in one of the biggest chokes thus far, as Oregon had just lost confidence and desire. Their coach was stoic and did nothing as the Ducks self-destructed. Whereas Villanova's coach Jay Wright was animated and almost cost them the game by getting technical foul with 2:58 remaining and a hard-fought 4-point lead; luckily it worked out in the end even though #5MW-Clemson did end up tying the game at 66. I mentioned the Gonzaga mystique is officially dead, kind of like finding out Santa Claus doesn't exist (at least as a fat jolly old fellow; though I may have to play him this Christmas and could fit that description by day's end). I was hoping Drake would be the next giant killer (despite the high # 5 seed), because *Drake*, like the *Zags*, is just a cool name and both teams are nicknamed "Bulldogs". I can't believe I was on a plane and missed this game. Maybe this'll be

a classic like the Arizona-Gonzaga multiple overtime game a few years back.

In our [14th Annual HWCI NCAA Pool](#), we now unofficially have 101 entries as we found the proud (well, **DR. FUN** is tied for 65th) owners of **MR F** and **DR. FUN**. Thursday's standings have been updated with these two picks. We hope to get the final count done by the weekend. The upsets [shook up the standings](#), leaving **WOKIM** all alone in first with 54 pts. Twenty-five others are within four points. **WOKIM** was the only one to go 13-3 today while **SUZNANA** (85th-Tied, 40 pts) went 7-9, tying a record low for Friday. The random picks **QUICKPICK MCGRAW** is still in last with 30 pts and went 9-7 for the day which is the same as how Thursday co-leaders **POOLRAIDER**, **FLIP FIGHTERS**, **EECHICK**, **B-EASY**, and **KRISPY SECONDS** (all tied for 12th with 48 pts) did.

WOKIM picked Sienna, W.Ky., and Villanova and missed out in picking San Diego, his hometown. Overall, just 3 picked San Diego (**CROW2BUGS** (44th-T, 44), **XK2XBOILX** (27th-T, 46), and **BIGRED** (12th-T, 48)). Only 15 picked Sienna while 17 each picked W.Ky. and Villanova. Only 7 entries have lost one team in the Final Four (and none have lost either finalist). Interestingly, since both #12 and #13 seeds happened in the same part of the bracket, it's almost a wash, as most did not have the #4 or #5 seed making the Elite 8 anyway.

Notes / Zeichen: 64 still have their Elite 8 intact... 38 have both UCLA and UNC in the final; UCLA wins 25 times... if we hold at 101 entries, we will add a 5th place top prize... even though I picked Indiana, I was rooting for Arkansas if only to continue to see [Stephen Hill](#) as he's in the early leader for best hair of the tournament; they have lumberjacks in Arkansas?... could the blue NCAA logo be any bigger in Raleigh? I mean, it looks like there isn't any room to move the 3-pt line further back (as they will do next year)... to see how everyone did, you can [view the Worksheet](#) I use to come up with these dumb stats... **FLYING ELVI** (65th-T, 42) did not go through with his promise that if Cal St. Fullerton ever made it to the NCAA tournament he'd pick them to win it all; he didn't even pick them to beat Wisconsin... Update: we have a record 12 people who submitted two entries; only 5 people out of 54 have won something in the past when submitting two entries, a partly 9.3%; only 1 of those 5 winners were because of the 2nd entry (Scott T in 1999)...

The latest daily pool information can be found on the official site: <http://www.HWCI.com/ncaa> and on our blog at <http://www.HWCI.com/wordpress>.

This is more like it (though I didn't pick most of the upsets)...

UCLA SURVIVES WHILE DUKE FALLS

Five sit atop leader board while Quickpick McGraw making wrong kind of history

CERRITOS, CA (smt)- Kevin Love and Darren Collison combined for 40 of #1W-UCLA's 51 (er, 53) pts as the Bruins rallied from 8 pts down to beat #9W-Texas A&M, 53-49. As has been their custom all season, UCLA fell behind and rallied to win, outscoring the Aggies 17-5 to end the game. Fellow Pac-10-mate #3S-Stanford outscored #6S-Marquette 12-6 at the end of regulation to force overtime, where both teams kept trading baskets and leads before the Cardinal prevailed on a last second shot (not a buzzer beater). The other remaining Pac-10 team, #4E-Washington St. joined #3MW-Wisconsin, and #1MW-Kansas with easy wins. Both #3W-Xavier and #5S-Michigan St. blew 10-pt 2nd half leads (Xav down by 1; MiS down by 2) before putting the game away with late runs (Xav 15-5; MiS 23-10). The biggest upset was #7W-West Virginia giving Duke-haters a gift by beating the #2W-Blue Devils and clearing a path for UCLA to the Elite 8.

First round leader **WOKIM** (63 pts) lost five Sweet 16 teams to fall to a tie for 23rd which now [leaves five entries tied for first](#) with 70 pts (interestingly, none of the five picked UCLA to win it all). Six entries went 7-1 for the day while **QUICKPICK MCGRAW** (33) went 1-7 (tying a record) and likely will continue to occupy the cellar for the rest of the tournament. **FC RACINE 1634** (61) won the first six games before settling for 7-1 and moved from tied for 85th to tied for 40th. UCLA's come-from-behind win saved 86 entries who had them in the Final Four. Eight correctly picked West Virginia and 31 picked Michigan St. **BIG HURT** (1st-Tied, 70 pts), **KOOL KATS** (47th-T, 60), and **FC RACINE** were the only entries to pick both Wisconsin & West Virginia early on.

After this weekend, we will announce that we officially have [101 entries](#) (everyone has paid or will pay (confirmed)), set the prize breakdown, and explain the Bonus Prize (same [rules](#) as last

year). With the 101 entries, some lucky person is going to win the first-ever 5th place prize (it ain't gonna be me; I need a prize for 61st or something).

Notes / 注意事項: Of the 3 teams with perfect first round records in our pool (minimum 4 games), only Purdue continued that streak (9-0) while Kentucky (13-1) and UConn (10-1) lost for the first time... What's with the very poor 3-pt shooting? Duke missed 15 straight at one point and #11MW-Kansas St. went 0-for-13. It's just going to get worse when the 3-pt line is moved by 12 inches next year; I wonder how this will affect the picks next year... only 15 still have their Elite 8 intact while 84 still have their Final Four alive... **QUICKPICK MCGRAW** lost his champion (Texas A&M - oh, how close he was) while **FABIO** lost Pitt in his final and six lost Duke in their final... Duke has been picked the most times to win it all (121) but no one has picked them the past two years...

THREE DOUBLE-DIGIT SEEDS ADVANCE TO SWEET 16

Wanna Fly? Flyin' Hawaiian on top with Flying Ace tied for 2nd

CERRITOS, CA (smt)- Three two-seeds and a one-seed went from a comfortable win to a nail biter but all survived (#2S-Texas, #2E-Tennessee (OT), #1S-Memphis) except for #2MW-Georgetown. All had double-digit second half leads (Texas & Georgetown 17 pts, Memphis 13, Tenn 10) that whittled to at most two in regulation thanks to some poor free throw shooting. #10MW-Davidson's shocker of the Hoyas and both #12 seeds (MW-Villanova, W-Western Kentucky) beating #13 seeds put three double-digit seeds into the Sweet 16. Only #1MW-UNC cruised, once again scoring 100+ points (108).

FLYIN' HAWAIIAN was one of ten to go 6-2 for the day to take over [sole possession of first place](#) with 88 pts. **FLYING ACE** and **CUSTARD_PIE** are tied for 2nd with 85 pts. Overall, 7 entries went 12-4 for the 2nd round. **3CROWINGBUGS** (99th-Tied, 62 pts), **BIGRED** (67th-T, 72), and **QUICKPICK MCGRAW** (who set a record for lowest points after two rounds with 42 after going 4-12 for the 2nd round) went 3-5 today. **QUEENB** (67th-T, 72) was the only one to pick Western Kentucky while 7 each got Villanova and Davidson. Of course none of this matters unless you aren't eliminated. **WOKIM** (75), in first before the 2nd round began, now sits tied for 44th with no chance for 1st or 2nd. That's how quickly things can change. **DC944** and **BRACKET BUSTER** moved from a tie for 27th to a tie for 6th (82 pts) in one round.

After 2 rounds, [there are 32,768 possible outcomes](#). **FLYIN' HAWAIIAN** has 17,329 possibilities to finish 1st through 5th (money spots), 52.9%. On the flip side, yours truly, **THE FABONE 14** (Scott T) has just one possibility to finish in the money (and that's for 5th place). Yes, one. In the history of the pool, there has never been an entry with exactly a 1 in 32,768 chance to finish in the money. That's a 0.003% chance. Still higher than winning the Super Lotto, I guess. Scott T does extend his streak to 14 straight years where he has not been eliminated after two rounds. Can't say that for 13 entries, who will now be playing for the Bonus Prize (explained tomorrow). That still leaves 88 in the running for some money with 55

of those with still a sliver of hope for 1st. The prize breakdown (featuring a brand new 5th place prize) will also be announced tomorrow. **FLYING ACE** is the only other entry with a greater than 50% chance for money (no one else is higher than 28%) with **FLYIN' HAWAIIAN** having the highest 1st place chance at 21.9%.

Knowing these possibilities, you get some interesting results. **JOHNNY APPLEHIGHSEEDS** (81), which is based on picking the highest seed, is tied for 10th place but can't finish higher than 3rd because his remaining Elite 8 matches two others ahead of him (by a single point, no less). The other side of the coin shows that **FABIO** (63), tied for 97th, can still win 3rd and **SAMER-2** (67), tied for 90th, can still win 1st. **THE UNFORTUNATE TRUTH** (61st-T, 73) has the highest point total for an eliminated entry.

Notes / Merkt: Only two (**DR. FUN** (44th-T, 75) and **FLYING ACE**) still have their Elite 8 intact while 54 still have their Final Four alive... no one's champion was eliminated today with a loss... **QUICKPICK MCGRAW** and **CHUCKIE D** (86th-T, 69) only have one Final Four team remaining... 99 entries each picked Memphis and UNC while 98 picked Texas; yesterday, 100 each picked Kansas and UCLA... Jake P had the worst day, having 2 of his 3 entries eliminated with a 3rd that can't finish higher than 3rd...

The latest daily pool information can be found on the official site: <http://www.HWCI.com/ncaa> and on our blog at <http://www.HWCI.com/wordpress>.

FIRST 1K+ POT TO BE SPLIT SIX WAYS

Bonus Prize allows most eliminated entries a chance to win \$40

EL SEGUNDO, CA (smt)- When we expanded the top prizes to a fourth place spot in 1998, that meant that 4 of 28 entries could win money (14.3%). Last year, it was 4 of 98 entries (4.1%). Despite this low percentage, only 13 of 98 entries [were eliminated](#) after two rounds, keeping most people in the game. But now, the pool administrators have decided that as the pool expands, an extra money spot should be rewarded, provided we have 100 or more entries. We barely made it with 101. We, however, cannot create money (only the government banks or that sly friend who's the Monopoly banker), therefore by adding the 5th place prize, the 1st through 4th place prizes will have be lowered a little (percentage-wise). So, despite growing from 98 to 101 entries, the 1st place prize will be \$10 less than last year's record prize of \$450. Still, a nice chunk of change. The [complete prize breakdown](#) is shown at the end of this update.

As it has been the past five years, the *Conference Wins* is the Bonus Prize (as detailed below) (aka, [Bonus1](#)). However, if no one wins it, the [Bonus2](#) takes effect and the entry who is closest

to the *Total Points in Final* tiebreaker gets the Bonus Prize. This is the sixth year we have used this Bonus to give hope to those who get eliminated early as only those who do not finish in the top 5 will be eligible to win. Rules follow below...

Bonus1 - Winningest Conference

When you completed your online entry and saw your picks (to print out), some of you might have been wondering what the heck "**Winningest Conference(s): ?? | Wins: #**" meant. And thus, subliminally, you were also picking which conference would get the most wins in the tournament and how many wins that conference would get via your direct picks. Neat, eh? So that output, [which in my case](#) (**THE FABONE 14**), says "*Winningest Conference(s): Pac 10 | Wins: 14*", means that by the way I picked my bracket (and don't laugh), the Pac 10 conference will get the most wins with 14.

The rules of how to win this Bonus Prize is as follows:

- 1. The top 5 finishers not eligible (so no double-dipping)*
- 2. Ties broken by championship final score total*
- 3. If there is *still* a tie, money is split*
- 4. If 2 (or more) conferences tie for the most wins, both (or all) conferences must have been picked correctly*
- 5. If entry has 2 or more conferences tied for most wins, only one must be correct to win (e.g. entry picks Pac 10 and Big 12 with 11 wins a piece. Big 12 ends up winning the most games with 11, then contestant wins)*

And, the Bonus Prize is worth \$40, which is four years worth of losing brackets. [Last year](#), the SEC was the winningest conference again with 11 wins (picked correctly by Wendy B's **BUCKEYE23**). But if no one correctly picks the winningest conference and wins, then the *Bonus2* takes effect.

Bonus2 - Total Points in Final

If no one wins the *Bonus1*, then a second Bonus opportunity takes effect. The entry closest to the "*Total points in final*" tiebreaker wins the \$40. In order to reward better play, the tiebreaker is the higher placement in the final pool standings.

The rules of how to win this Bonus Prize is as follows:

- 1. The top 5 finishers not eligible (so no double-dipping)*
- 2. "Closest" can be above or below actual total (if actual is 144, 143 & 145 are both 1 point away)*
- 3. Ties broken by highest placement in final pool standings*
- 4. If there is *still* a tie, money is split*

Prize Breakdown

With everyone pretty much confirmed, we are officially at 101 entries (\$1,010). So, here is the official prize breakdown:

1st Place	= \$440.00
2nd Place	= \$220.00
3rd Place	= \$150.00
4th Place	= \$100.00
5th Place	= \$ 60.00
Bonus Prize	= \$ 40.00

Bonus Prize Analysis

What this means is that of the 13 entries [that were eliminated](#) from the top 5 prizes, 11 are back into play! This also means that **MARCCHARLES** and **FLYING ELVI**'s picks were so horrible that they have been eliminated from both prizes. So 99 entries still have a chance for money.

If you don't have your bracket, then go to the "[For the Record](#)" page and pick your nickname from the drop down box. Right now, of the 9 conferences represented in the Sweet 16, only 4 conferences have a chance to get the most number of wins:

Conf.	Teams Left	Curr Wins	Max Poss Wins
-----	----	----	-----
BigEast	3	10	19
Big12	2	7	14
Pac10	3	6	15
Big10	2	5	12
x-SEC	1	4	8
x-ACC	1	4	8
x-Atlantic10	1	2	6
x-Southern	1	2	6
x-SunBelt	1	2	6
x-ConfUSA	1	2	6
<i>x-Eliminated</i>			

Forty-four entries have the Big East (3 teams left) as their (or one of their) winningest conference. Forty-two have the Pac 10, which also has three teams left. All in all, only 18 entries (mostly those who had the ACC as the winningest conference) were eliminated from the *Bonus1* prize. So root for teams from the conference you picked.

Below are the teams in the conferences that matter for the *Bonus1*.

Conf.	Teams Left (1st Rnd W-L, 2nd Rnd W-L)
-----	-----
Pac10	UCLA, WASH ST, STANFORD (3-3, 3-0)
Big10	MICH ST, WISCONSIN (3-1, 2-1)
BigEast	LOUISVILLE, WVU, VILLANOVA (7-1, 3-4)
Big12	KANSAS, TEXAS (5-1, 2-3)

It's much too much to go through all the possibilities with four rounds remaining. But, if you do have a chance, this will guide you to which team to root for based on the conference the team is in.

Here is [the link](#) to what everyone picked. If your nickname is in red, that means you're eliminated from the top 5 prizes; if your conference is in red, you're eliminated from the *Bonus1*. The eligibility for the *Bonus2* won't be discussed unless needed.

Notes / : Last year was the first year where we had the Bonus2 option in case no one won the Bonus1, which happened in 2005 & 2006... 133 was the most often picked for *total points in final* (five times)... the \$440 top prize is 43.6% of the total pot, the lowest its been (thanks to the addition of the 5th place prize); the highest was our first year at 58.3% and hasn't been above 50% since 1998... we have had exactly 800 entries in 14 years which means we will have doled out \$8,000 to at least 35 people... the 800 entries have been submitted by 212 people... had we only had four money spots, only **THE FABONE 14** would have been eliminated (making it 14 eliminated entries), not much of a difference... BTW, I figured out what I need to win 5th, [my one chance](#): *UNC, Tenn, Kansas, Davidson, Michigan St., Texas, UCLA, and West Virginia* in the Elite 8; *UNC, Kansas, Texas, and UCLA* in the Final Four; and *UCLA* beating *UNC* in the final. Now get this - all this (15 consecutive correct wins) just to **TIE** for 5th place. I'd still need to win the *total points in final* tiebreaker (144 or more pts) to take 5th! What a cruel world I live in...

Issue # 8.2.4 "Who is the Mole?"
[

SOME TEAMS AREN'T WHO THEY SAY THEY ARE

Sixteen suspicious observations to a crazy tournament

EL SEGUNDO/CERRITOS, CA (smt)- The last two of the seven at-large Big East teams are in the Sweet 16 while Davidson and Western Kentucky have crashed the Sweet 16. The Pac-10, which some considered the strongest conference, faltered in the first round with only 3 of 6 teams advancing but the second round saw the Pac-10 go a perfect 3-for-3 to match the Big East with the most teams in the Sweet 16. The mighty ACC has just one team remaining, the same as the Sun Belt and Southern Conferences. Days 1 & 3 have gone pretty much to form while Days 2 & 4 have seen huge upsets. So is there a saboteur in the ranks, quietly affecting games so that a desired champion is crowned?

Let's look at the 16 pieces of evidence:

1. **THREE POINT LINE:** The 3-point line doesn't move back one foot until next year, but teams were missing shots as if the line was indeed a foot further back. Mississippi St. missed its first 12 attempts, Kansas St. missed all 13 of its attempts, and Duke (15) and

- Oregon (18) missed over 14 consecutive 3-point attempts.
2. **PERFECT TIL NOW:** In the 13 years of the pool, Kentucky (13-0) and UConn (10-0) were undefeated in the first round... until this year.
 3. **TWO MUCH TROUBLE:** Some have something against the #2 seeds? Two (Duke & Georgetown) have fallen while Tennessee and Texas barely survived their second round match-ups.
 4. **REVENGE OF TWELVE:** Somebody didn't like that last year for the first time since 2000 no #12 seed won a game. This year not only did two #12 seeds win, they are in the Sweet 16.
 5. **POINT ADJUSTMENT:** Two days after the game finishes, the NCAA decides to correctly adjust the UCLA score back to 51-49? Luckily, the point spread was more than 4 points but what was the over/under?
 6. **HOME COURT COOKING:** While top seeds generally get to play near home (or in UCLA's case, in the next county), lower seeds South Alabama and Kansas St. got placed in pods near home... only K-State took advantage.
 7. **GEORGIA NOT ON MY MIND:** Someone doesn't like the Bulldogs. First they make them play 2 games in one day and 3 games in 2 days (which they won all of them) but then they get placed in the Thursday game instead of the Friday game, which would have given them a much-deserved extra day rest. Alas, Georgia ran out of gas.
 8. **A NEW HUGGINS:** It was once predictable to knock out coach Bob Huggins Cincy teams (no matter how high a seed) before the Sweet 16 and when he went to K-State, they failed to qualify. But now he's in his first season with West Virginia, and here they are in the Sweet 16. Same person?
 9. **LOW & HIGH SCORES:** While Miss. Valley (13), Winthrop (11), and Kent St. (10) had very low scoring halves, UNC had no problem scoring 50 or more points in all four halves they have played. Even Stephen Curry of Davidson scored 30 in one half by himself.
 10. **EJECTED AND WIN:** The mole's new strategy? Villanova's coach Jay Wright and Stanford's coach Trent Johnson were both ejected from their games yet their teams still won (both games going down to the wire).
 11. **FRESHMEN FIZZLE:** One more for the UCLA-gets-preferential-treatment crowd as Kevin Love is the only major freshman left standing. Michael Beasley (K-State), O.J. Mayo (USC), Jerryd Bayless (Arizona) are all getting their paperwork going for the upcoming NBA draft.
 12. **800:** Coincidence that we get 101 entries to give us an even 800 entries over our 14 years? Last year we were at an odd 699 entries.
 13. **NICKNAME CONFUSION:** **BIG RED** did not know **BIGRED** already existed, yet chose to keep the name when the opportunity came to change it. Then after the weekend, was asking to change the name to **BIG BLUE**. Curious.
 14. **NO FINALISTS:** Both Florida & Ohio St. failed to make the tourney, which allowed Gator supporter **ROBBED OF A THREEPEAT** to avoid picking a low Florida seed to win the tourney (as he has done every year, paying off in 2006). BTW, Florida is in the NIT Final Four.

15. **SECRET MESSAGES?:** We have a 21-character limit for the nickname when you submit your bracket (one day, we'll make the entry form smart enough to also limit you to 21, but it's kind of interesting to see what long nickname you *wanted* in the first place). And since I *CAPITALIZE* the nicknames in my updates, you will have to decipher **BACK2BACKHOPEFULLY, IWONTHISSH-T13YRSAGO, NOILLININOPROBLEM** and **TARHEELSUPBRUINSDOWN**.
16. **NO GAME?:** So on Thursday, we drove to San Antonio, home of the Final Four. There was large bracket on a tall building just outside of downtown. So I had written down which radio station the games would be on. So when Duke was battling Belmont to the wire, I went to catch the station. Hockey game. Hockey! And with the Spurs on at the same time, the lone TV in the restaurant was tuned to that game even though it was halftime. Not that they could've changed it... they just didn't know how. This is why the minimum wage should NOT be raised as employee after employee was clueless. So I'm at the home of the Final Four and I can't see or hear the games.

I don't know what the above means or which teams the mole wants to win, but this has been a very odd year.

2008 HWCi NCAA Pool Update

Thursday, March 27, 2008 (Rev A)
Issue # 9.3.1 "It'll be 1 vs. 3"
[

[Home](#) | [Blog](#) | [Updates](#)]

THIRD #2 SEED FALLS LEAVING JUST #1'S AND 3'S *Flying Ace soars to first while 67 remain in the running for top prizes*

CERRITOS, CA (smt)- #3W-Xavier blew an 18-point lead and then rallied from a 6-point deficit in overtime to hold off #7W-West Virginia, 79-75. In overtime, Xavier hit three consecutive "threes" (including a back-breaking cross-court inbound pass with 2 seconds left to B.J. Raymond whose basket put Xavier up by 4 with 29 seconds left) while West Virginia missed three consecutive "frees" (missing five free throws in the last 5+ minutes). The Musketeers will face #1W-UCLA who allowed #12W-Western Kentucky to cut a 21-point deficit to 4 before pulling away, 88-78. UCLA held W.Kentucky to just 20 points in the first half but the Hilltoppers outscored the Bruins 58-47 (the 58 is twice what Miss. Valley St. scored in the entire game vs. UCLA in the first round) in the second half. #1E-UNC failed to score 100 points but still won comfortably, 68-47 and will face #3E-Louisville who almost blew all of a 16-point lead before taking control and sending #2E-Tennessee home, 79-60. The Vols were the 3rd #2 seed to fall and leaves a #1 vs. #3 match-up in the East and West Regional Finals.

FLYING ACE (with a [74.9% chance to win money](#)) was one of 14 to go 4-0 for the day to [take over first place](#) with 101 points, one ahead of **FLYIN' HAWAIIAN** who lost his champ Tennessee. Louisville's win eliminated 16 entries of the 21 which were eliminated today, leaving 67 entries with hope to win money. Only 34 can still win the first place pot of \$440 with **FLYING ACE** leading the way with a 34% chance. Eight other entries have a 21-38% chance to win some money. **PERFECT PICKS** moved from a tie for 75th to a tie for 29th (87 pts) by going 4-0 while **CROW2BUGS** went from a tie for 32nd to a tie for 66th (81) after going 1-3. **KLOVE407.8** (why 407.8?) went 4-0 to go from 80th-Tied to 34th-T but was already eliminated. Eight went 1-3 including **QUICKPICK MCGRAW** who is still in last with 46 pts and needs just four points to avoid the worst point total ever.

In the race [for the Bonus Prize](#), the Big East and Pac-10 both went 1-1. The Big East now has 11 wins (max: 16) and the Pac-10 has 7, but can't get more than 12. Both teams from the Big 12 (7

wins; max: 14) and Big 10 (5 wins; max: 12) play tomorrow (along with the remaining Big East and Pac-10 team). There are 56 entries still alive to win the *Bonus1* and now 14 can't win prize money or the *Bonus1* (unless no one wins *Bonus1* we go to the *Bonus2*).

Notes / Regista: Only two (**DR. FUN** (who moved from 44th-T to 15th-T (91)) and **FLYING ACE**) still have their Elite 8 intact while 42 still have their Final Four intact... 11 of 15 who had Tennessee in the final were eliminated... 95 entries picked UCLA and UNC while 30 chose Louisville and 29 chose Xavier... so I needed 16 consecutive events to go my way (all 15 games plus tiebreaker) and it ended on the first attempt (Xavier winning) - although technically, the UNC game finished first (good result); so I would now wait and see with the Bonus except I'm eliminated from that as well (since the Pac-10 can't win more than 12 games and I had them with 14)... the 14 who went 4-0 tied a record set by 55 others...

Issue # 10.3.2 "Of all the Wildcats, it's Davidson who's in the Elite 8"
[

[Home](#) | [Blog](#) | [Updates](#)]

DAVIDSON LEADS DAY OF ROUTS

Flying Ace holds onto first but top prize chances divided equally

CERRITOS, CA (smt)- #10MW-Davidson used a 29-10 run in the second half to put away #3MW-Wisconsin and advance to the Elite 8, 73-56. Stephen Curry once again scored 20+ points in the second half (22) and 30+ (33) for the game in leading the Wildcats to their 25th straight win and will face #1MW-Kansas who jumped to a big early lead and was never challenged by #12MW-Villanova, 72-57. With Villanova's loss, Davidson is the lone remaining *Wildcats* (with Kentucky, Arizona, and Kansas St. falling in earlier rounds). Davidson will try to become the 3rd double-digit seed to make the Final Four (since 1985).

#2S-Texas used a 30-8 run in the second half to blow out #3S-Stanford, 82-62. The Longhorns will face #1S-Memphis, which rattled off 19 straight points to build a 34-point lead in beating #5S-Michigan St., 92-74. How bad was the beating? Michigan St. scored 17 straight points and had a 33-13 run and *still* trailed by 14 points. The Tigers never let the Spartans get any closer and actually hit 9 of their last 10 free throws in sealing the win. I think Memphis' poor free throw shooting will be an issue if the game is close (less pressure when you have a double-digit lead). This is the only region with a #1 vs. #2 match-up in the Elite 8. All four #1 seeds are alive which begs the question whether or not this will finally be the year all four #1 seeds make the Final Four.

FLYING ACE [remains in first](#) with 113 points, still one point ahead of **FLYIN' HAWAIIAN**. **LUSTIFULLY N LONDON!** was the only one to pick Davidson's win and subsequently was the only one to go 4-0 (the 48th entry to do so) to move from a tie for 26th to 10th (104 pts). How odd has this pool been? Yesterday, **FC RACINE 1634** (92) went 4-0 to go from a tie for 39th to 14th place with a 22.2% chance for money; today, he went 0-4 to fall to a tie for 55th and out of the running for money. He might be the first entry to ever go 4-0 on the first day and 0-4 on the second. **QUICKPICK MCGRAW** got Memphis correct to give him 50 pts and avoided being the worst bracket ever. His 2-6 record for Round 3 was shared by **CHUCKIE D** (99th, 77). Seven did go 7-1 for the round. First Round leader **WOKIM** (103), which had dropped to 44th after the

second round, is now back in a tie for 11th. **BAMAG** (108) has slowly made his way from a tie for 44th after the first round to a tie for 3rd now.

FLYING ACE still [has the best chance for money](#) (50.8%) and first (13.3%). However, 7 others have between a 7-12.5% chance to win 1st and five others have a 30+% chance for money. Texas' win eliminated 15 of the 22 total eliminated entries today. Just 45 have a chance for money and 20 with a chance for 1st.

In the race [for the Bonus Prize](#), the Pac-10 and Big-10 were both eliminated, leaving [just the Big East \(11 wins: max 14\) and Big 12 \(9 wins: max 14\)](#) who both have 2 teams in the Elite 8. There are 35 entries still alive to win the *Bonus1* while 41 can't win prize money or the *Bonus1* (unless no one wins *Bonus1* we go to the *Bonus2*).

Notes / : Davidson prevented **FLYING ACE** from having a perfect Elite 8... 29 still have their Final Four intact... 91 entries picked Kansas, 72 chose Memphis, and 69 chose Texas... if you want to know your possible winning outcomes, post your request on the [Discussion Board topic](#) or comment on the [Blog entry](#)- as an example, here is my wife's possible winning scenarios ([PSW-SP](#))...

Issue # 11.4.1 "Love & Hansbrough Lead Top Seeds to Victory"

[

[Home](#) | [Blog](#) | [Updates](#)]

#3 SEEDS FIGHT BUT #1'S ADVANCE

Flying Ace now leads by 5 as he, Shriner, and PSW-SP have equal chance for 1st

CERRITOS, CA (smt)- Kevin Love had his third straight double-double (19 pts, 10 reb) to lead #1W-UCLA into the Final Four for a record 18th time with a 76-57 victory over #3W-Xavier. Xavier had cut UCLA's second half lead to six but then the Bruins went on a 17-2 run and never let the Musketeers get within eight the rest of the way. In the other 1 vs 3 match-up, #1E-UNC's Tyler Hansbrough had his second double-double (28 p, 13 r) to send the Tar Heels to their 17th Final Four in a 83-73 win over #3E-Louisville. Louisville never let North Carolina jump to a big lead (keeping it 12 or lower the whole game) and tied it at 59 but UNC always had an answer. When the Cardinals again got within two at 66-64, the Tar Heels went on a 11-2 run to put the game away. The first two #1 seeds made it, will the other two join them for the first time in history (since field expanded to 64/65 teams)? The remaining #1 seeds, #1MW-Kansas & #1S-Memphis, have both lost their last two Elite 8 matchups.

FLYING ACE [expanded his first place lead to five points](#) (125 points) but is now ahead of **SHRINER** who moved into second with **WOODEN_SOLDIER** (who can't win 1st) a point behind him. **JUNO INO** is in 4th tied with **FLYIN' HAWAIIAN** (who can't win 1st/2nd/3rd) with 118 pts. A record 64 went 2-0 (only 87 had done so in the previous 13 years) and those that didn't, tumbled, but only four were eliminated today, [leaving 41 still in the running](#) for money. Only 14 can win 1st with **FLYING ACE**, **SHRINER**, and **PSW-SP** (9th-Tied, 115 pts) all having exactly 5 chances (out of 32) to win the prize. The bad news for **PSW-SP** is that she only has five chances (basically Texas winning it all or Davidson beating Texas in the Final) to win money meaning she either finishes 1st or is eliminated. **ACE** has 19 chances (59.4%) with three others with a 31-38% chance to win money. Just four went 0-2.

In the race [for the Bonus Prize](#), the last Big East team fell, leaving the conference with 11 wins. The two Big 12 teams play tomorrow (9 wins; max: 14). There are only 9 entries still alive to win the *Bonus1* while 55 can't win prize money or the *Bonus1* (unless no one wins *Bonus1* we

go to the *Bonus2*). No one will win the *Bonus1* if the Big East and Big 12 finish tied with 11 wins or the Big 12 wins 14 games - or the *Bonus1* winner is a top 5 finisher and thus is ineligible.

Notes / σημειώσεις: 28 still have their Final Four intact with only **FLIP FIGHTERS** (46th-T, 104) losing his perfect 4 with Louisville's loss... 86 entries picked UCLA while 75 chose UNC... if you want to know your possible winning outcomes, post your request on the [Discussion Board topic](#) or comment on the [Blog entry](#)- as an example, here is my wife's five possible winning scenarios (**PSW-SP**)... **QUICKPICK MCGRAW** may have ended his pool yesterday at 50 points (avoiding the worst bracket ever), but he did set a record low with just 21 wins (**HENDO** in 2002 had 22 wins)...

Issue # 12.4.2 "Sacrebleu! All Top Seeds Are Here"

[

[Home](#) | [Blog](#) | [Updates](#)]

DAVIDSON PUTS UP A FIGHT, BUT ALL #1 SEEDS ARE IN FINAL 4

With all top seeds in, a record 24 can still win money as most have just one chance (out of 8)

EL SEGUNDO/CERRITOS, CA (smt)- #1S-Memphis quickly showed they deserved a #1 seed by jumping out to a 19-point halftime lead over #2S-Texas and by hitting their free throws in a 85-67 win. The Longhorns scored 12 straight points to get within 5 (39-34) but the Tigers went on a 18-4 run to keep Texas out of reach. The Tigers, a 59.6% free throw shooting team in the regular season, hit 30 of 36 (83%), in advancing to the Final Four for the first time in 23 years. In the nightcap, the last #1 seed, MW-Kansas, seemed like a lock to have all four #1 seeds in the Final Four for the first time, but #10MW-Davidson would not go down quietly. Leading scorer Stephen Curry (25 pts) had a chance to be the quintessential hero but passed the ball off as time wound down and the subsequent game-winning 3-pointer was far off the mark allowing the Jayhawks to survive, 59-57. Both Kansas and Memphis snapped 2-game losing streaks in the Elite 8. Davidson's 25-game winning streak ended while Memphis picked up its 37th win against just one loss.

SHRINER is [now the leader](#) with 132 points, one ahead of **FLYING ACE** and two ahead of **JUNO INO**. Twenty-three (23) went 2-0 while 30 went 0-2. With all top seeds making the Final Four, a record 12 had a Perfect Final Four. How rare is that? There have only been 8 Perfect Final Four brackets in the past 699 entries (and 6 of them came last year!).

QUICKPICK MCGRAW (101st, 50 pts) is the only one to go *0-For-The-Final-Four*, the 114th entry to do so. In fact, **QUICKPICK** is the only person ever to have the lowest (or tied for the lowest) win total in each of the six rounds. The Memphis-Texas game was our most even pick 'em of the tournament with 39 choosing Memphis and 38 choosing Texas. The Tigers win eliminated 14 entries and left just eight vying for first place. Kansas was picked by 55 and Davidson' failure to get off the winning shot prevented **LUSTIFULLY N LONDON!** (20th-

Tied, 116) from getting a much needed six points over everyone else. The Jayhawks win also eliminated our defending champion, **BACK2BACKHOPEFULLY** (28th-T, 115). Robinson C (**FLIP FIGHTERS** (20th-T)) is the only past champion (and only 2-time champion) who can still win it all. But there are a record 24 entries who can still finish in the top 5.

JUNO INO has [the most chances to win money](#) (62.5%) while a record eight entries have a chance to win first (**SHRINER** with two possibilities (one is a tiebreaker)). 15 of the 24 remaining entries have exactly one chance in 8 to win money. You can now view [the eight remaining possible outcomes](#) and if you're still alive (and I'm not), you can see what you need to happen to win money. The most interesting one is if UCLA beats UNC in the Final as we would have a tiebreaker for 2nd place and a four-way tiebreaker for 5th (meaning three of the four would win zilch).

In the race [for the Bonus Prize](#), the Big 12 split today giving the conference 10 wins. There are only three scenarios left. Either the Big East has the most with 11 wins (**QUEENB**, **DK**, and **INDY** could win this), the Big East and Big 12 tie with 11 wins (no one wins and we go to *Bonus2* which opens it back up to all the losers in the closest to total points criteria), or the Big 12 wins with... *wait for it...* 12 (**MR_ROCKET**, **ARBEDYTHREE**, **CROW2BUGS**, **COBI'S DAD**, and **QUICKPICK MCGRAW** (believe it or not!) could win this). In the last scenario, **COBI'S DAD** [would win the Bonus1](#) if Kansas beats UCLA in the Final but would be ineligible if Kansas beats Memphis in the Final (because then he'd win either 2nd or 3rd place).

Notes / 債券: The 2.52 average wins for the 4th Round set a record (2.27 in 2007)... 63 still have their Final Two intact... even if you take out the 5th place prize, 18 entries would still be alive and that would still be a record (17 in 2007)... 8 entries have won their last 7 games... Kansas makes the Final Four for the 13th time and will face ex-coach Roy Williams and his Tar Heels...

[Rev A] Issue # 13.4.3 "101 Ways To Pick a Nickname" [[Home](#) | [Blog](#) | [Updates](#)]

• [Past Annual Nicknames Issues](#) [[07](#) | [06](#) | [05](#) | [04](#) | [03](#) | [02 \(JC\)](#) | [01](#)]

THE BIG MR. FLYING CROWBUG MAN

Deciphering the nicknames is just half the battle

EL SEGUNDO/CERRITOS, CA (smt)- The five most popular words in nicknames were "The" (6 times), "Big" (5), "Man" (4), "Mr." (3), "Flying" (3), and "Crowbug" (3 - albeit the same person with three entries). The most annoying trend were nicknames that were sentences with no spaces between words (4). With 101 entries, this was bound to happen... two people picking the same nickname (two words) but one used the annoying trend in the prior sentence so the two are different since one has a space in between the two words and the other doesn't. And one two-word nickname is the same as Mark C's 1999 nickname who... didn't put a space with his DARKSHARK. Well, it's that time for the my annual nickname issue where I butcher what you intended your nickname to mean. If you want to defend or explain your nickname, please post on our [Discussion Board](#).

Where to start. There were mentions of teams who didn't make the tournament (**ROBBED OF A THREEPEAT** (Florida), **NOILLININOPROBLEM** (Illinois), **OSKI'S MILKSHAKE** (Cal), **BAMAG** (Alabama), and **9ERS IN 09** (Long Beach St.)) and those that did (**KLOVE407.8**

(UCLA), **CARDINAL ZINS** (Louisville or Stanford?), **TARHEELSUPBRUINSDOWN** (UNC), **BIGRED** (Oklahoma), and **BIG RED** (Stanford?). We had tributes to family members (**COBI'S DAD**, **LEAH'S DAD**, **KOBERAJ**, and **PSW-SP**) and tributes to themselves (**BUCKEYE MIKE**, **CHUCKIE D**, **HENDO**, **KAPPY**, **MAG**, **SANTANA**, **SPITAKULARR**, and **SUZNANA**).

We had lots of numbers that included 1 (**SAMER-1**, **CROWBUGS1**), 2 (**SAMER-2**, **BAMAG2**, **NK2**, **CROW2BUGS**, and **XK2XBOILX**), 3 (**3CROWINGBUGS** and **ARBEDY THREE** (which I believe is also a tribute)), 14 (**THE FABONE 14**), 23 (**BUCKEYE23**), 51 (**SLAMJAM51**), 82 (**FARBER82**), and 944 (**DC944**). We were also brought to you by the letters *B* (**B-EASY** (also a reference to K-State's Michael Beasley) and **QUEENB**), *D* (**THEBIGDDOG** and **THELITTLEDDOG**), and *F* (**MR F**).

People had nicknames that referenced generic pool jargon (**BRACKET BUSTER**, **JINX**, **PERFECT PICKS**, **POOLRAIDER**, and **JOHNNY APPLEHIGHSEEDS**), luck & hope (**BELUCKY2**, **FLIP-A-COIN**, **MR. WIZARD**, **THE UNFORTUNATE TRUTH**, **U BETTER BELIEVE IT**, **WOKIM**, and **QUICKPICK MCGRAW**), and this [HWCI NCAA Pool](#) (**BACK2BACKHOPEFULLY** (Van P who won [last year](#)) and **IWONTHISSH-T13YRSAGO** (Fernando B who on our [1st year](#))).

Nicknames were short (**DK** and **NK**), rhymed (**INDY**, **LARZBY**, & **ZIPPY**), or were alliterations (**FLIP FIGHTERS**, **KOOL KATS**, **KRISPY KREMER**, **LUSTIFULLY N LONDON!**, **MARATHONMAN**, **THE MIGHTY MOBELFAKTA**, and **PHILLY PENGUINS** (okay, not really an alliteration)). Some were big (**BIG HURT** and **BIG LUTHER**) and some flew (**FLYIN' HAWAIIAN**, **FLYING ACE**, and **FLYINGELVI**).

There were references to the 80's (**CHUCK NORRIS** and **RALPH MACCHIO** (if anyone wants to venture a guess why this nickname was chosen (I know), feel free to post it on the [Discussion Board](#))) and some that could've been related to the 80's (**BEEFMASTER**, **CHICO AND THE MAN**, **FABIO**, and **RAINMAN**). The Simpsons (**SLACKJAW** and **YOKEL**) are always referenced in our pools but theatre (**JUNO INO**), futbol (**FC RACINE 1634**), pirates (**SCRIMSHAW PIRATE**), Batman (**DARK KNIGHT**) and other cartoons (**MR. WHISKERS**) also get mention. Some sound like they're based on anime (**SAMURAI JACK**, **TEAM SAMURAI**, **EECHICK**, and **KRIMSONGUARD**) or the military/patriotic (**MC_ROCKET**, **WOODEN_SOLIDIER**, and **YANKEEAGLE**). Some seemed light-hearted (**DR. FUN**, **CARSERONI RIDES AGAIN**, and **DAMAN**), helpful (**SHRINER**) and others were bewildering (**CUSTARD_PIE**, **MARCCHARLES**, and **KRISPY SECONDS**). And of course, our colors (**BLUESTARS1996** and **YELLOW MONKEY**). That should be all 101 entries...

[Rev B] Issue # 14.5.1 "Three is Not the Charm for UCLA" [[Home](#) | [Blog](#) | [Updates](#)]

UCLA FALLS IN FINAL FOUR AGAIN WHILE KANSAS ROUTS UNC (TWICE)

Juno Ino in 1st but won't be there after Monday

CARSON/LAX, CA (smt)- #1S-Memphis dominated and outcoached #1W-UCLA, 78-63, in reaching the Final for the first time in 35 years and winning their NCAA-record 38th game (the other three 37-win teams didn't win the championship). The Bruins, meanwhile, enter the Final Four and fail to come out with a championship for the third straight year (now they have something in common with Duke, who did this 1988-90). UCLA fell behind by 11 before cutting the lead to 5 at 50-45 but Memphis then went on a 15-7 run to put the game away. It seemed like after the game Bruin freshman Kevin Love was frustrated with his teammates so the bad taste of losing won't be enough to keep Love at UCLA for a second season.

Meanwhile, the nightcap featured #1MW-Kansas destroying #1E-UNC by 28 points (40-12; Kansas' Brandon Rush has as many points as UNC (12) at one point) but the Tar Heels fought back cutting it 15 before Rush hit a buzzer beating basket to put Kansas back up by 17. UNC came out in the second half the way they ended it and brought the huge lead down to 4 (54-50) with 11:14 left. Now, it's easy to say it's now just a 4-point ballgame (and forget about being down by 28) but the reality was UNC spent a ton of energy to outscore Kansas by 24 points. The Jayhawks regrouped after UNC almost cut the lead to two and after the Tar Heels again cut the lead to 6, Kansas went on a 13-0 run to quash the comeback and won 84-66. Kansas coach Bill Self could do what ex-Kansas-now-UNC coach Roy Williams couldn't do in 15 years and that is win a championship.

Like the Kansas-UNC game, there is good news, bad news, and good news for **JUNO INO**. The good news is [he's in first place](#) with 138 points. The bad news is [he can't finish in first](#). And the good news is [he's guaranteed at least 3rd place](#) (\$150). Also guaranteed money are **BELUCKY2** (2nd-Tied, 134) and **DC944** (2nd-T) (both at least 5th place). The battle for the top prize of \$440 will be between Kansas-picking **BELUCKY2** (Cliff T) and Memphis-picking **FLIP FIGHTERS** (Robinson C) (5th-T, 132). While Robinson C will be trying to capture his record-

extending 3rd HWCI NCAA Pool title in 10 years, Cliff T will be trying to win his first title in 10 years (and he will also win for the first time in 10 years by taking home at least \$60). Man V (**YELLOW MONKEY** (31st-T, 116) holds the record by winning zero money in 13 years and to add insult to injury he and Dave F (**THE MIGHTY MOBELFAKTA** (26th-T, 117)) flew to San Antonio at the last minute to watch UCLA lose.

In the race [for the Bonus Prize](#), the Kansas helped the Big 12 put it in a tie with the Big East with 11 wins. The problem is no one picked both the Big 12 and Big East with 11 wins. So if the Memphis wins, the Big East and Big 12 tie with 11 wins and no one wins *Bonus1* and we go to [Bonus2](#) which opens it back up to all the losers in the closest to total points criteria). If Kansas wins, the Big 12 wins with 12 and four entries have a chance to win the [Bonus1](#) (**MR_ROCKET**, **ARBEDYTHREE**, **CROW2BUGS**, and **QUICKPICK MCGRAW**).

Just three picked both Kansas & Memphis to win and only **BELUCKY2** had a perfect Final 4 and Final 2 (and has won the last 9 games overall). If Kansas wins on Monday, he will be the first person ever to have a perfect *Last-7* (all 4 Final 4 teams, all 2 finalists, and the correct champion). Van P (**BACK2BACKHOPEFULLY** (40th-T, 115)) had a chance last year to have a perfect *Last-15* (including all 8 Elite 8 teams) but lost on her champion.

Notes / Note: Kansas did out-turnover UNC 19-18... Both Memphis & Kansas (50 points in the paint) had a ridiculously high number of easy baskets (thanks to their defense)... Memphis also hit their free throws for the second consecutive game and are hitting 71% for the tournament (59% regular season) which is maybe why UCLA didn't resort to a hack-a-Shaq type of defense when they really needed it... 16 picked Memphis while 18 picked Kansas... 70 went 0-2 today, including 4 who had a perfect Final 4... UNC had no baskets for 9:03 (in the first half) but did have runs of 10 and 14 straight points...

Issue # 15.5.2 "Fourteen Years of Memories"

[

[Home](#) | [Blog](#) | [Updates](#)]

WILL A NEW CHAMP OR AN OLD CHAMP WIN THE POOL?

A look back all the way when UCLA did win it all

TUCSON, AZ (smt)- Well, we have the least-respected #1 seed in Memphis and the fourth ranked #1 seed in Kansas in the Final leaving the two favorite #1 seeds (UNC & UCLA) watching from home. I don't know why but Memphis winning it all just doesn't seem right. It'll be like when Eli Manning & the Giants won the Super Bowl over the undefeated Patriots. Sure, most wanted New England to lose... but Eli? Same thing here... Memphis? But kudos to the Tigers for making their free throws (even if it was when they are up by double-digits) minimizing their one big weakness. And Kansas? It was nice picking on them (like the Cubs) so they can't possibly win... can they? It'll at least be an interesting final with one coach winning for the first time and one school winning for the first time in at least 20 years.

Well, for the HWCI Pool participants, there are three guaranteed money (Doug H (**JUNO INO**, 5th year, \$0), Don C (**DC944**, 3rd year, 1 win, \$105), and Cliff T (**BELUCKY2**)) but I'm sure they want to finish as high as possible. That would be first place for Cliff T if Kansas wins as he will finish in the money for the first time in his 10 years playing in our pool. Meanwhile,

Robinson C (**FLIP FIGHTERS**) will try to win the pool for a record 3rd time (no one else has won more than once) and will do so if Memphis wins. Robinson C would increase his all-time winnings to \$1,120 which would almost double the next highest person (Scott T with \$630). The [other people still in the race](#) are Bob G (**COBI'S DAD**, 10th year, \$0), Jeff H (**U BETTER BELIEVE IT**, 6th year, 2 wins, \$280), and Steve M (**KOOL KATS**, 1st year). Four (including cellar dweller **QUICKPICK MCGRAW**) will battle it out for the \$40 [Bonus1](#) if Kansas wins and 56 will battle it out for [Bonus2](#) if Memphis wins.

We have had exactly 800 entries from 212 people in our 14 years of existence. In fourteen years, the pool has steadily (and controllably) grown in size as friends of friends refer friends. In fact, our longest *Six Degrees of Scott* is still: John S (**MR WIZARD**) who knows David S (**SHRINER**) who knows Roy W (**KRISPY KREMER**) who knows Leonard K (**MR F**) who knows Jeff L who knows me (**THE FABONE 14**). Also, we have fourteen online entries from nine people who, for some reason, trust us. And we have referrals from online entries as well, which is even scarier! At the end of Monday, we will have doled \$1,010 to five people and closed out another three weeks of excitement, frustration, cursing, and elation.

A little history....

[In 1995](#), the first year of the pool, just 12 people entered in a modest effort put forth by HW-UCLA and their close friends. Names like **BAD ASS** and **LIVER BOY** graced the pool. Of course, their interest was heightened because UCLA was favored to win it all. Indeed, 10 of 12 picked UCLA while 2 picked Kentucky. This pool featured the infamous **LOSER WHO DIDN'T PICK UCLA** (Dennis K) who set an all-time record (still stands today) with a 14-2 2nd Round to go from tied for 9th to tied for 1st before going 0-7 in the final 3 rounds to finish dead last (12th) with 98 points. **TINA'S BOY** (Mark C) became the first person to be eliminated when the 2nd round ended. He was, however, one of only 3 people (all in 1995) to correctly pick the two teams in the final and the champion prior to 1999. **BIX PIX** (Fernando B, 1st, 148) and **MR. NELSON** (Nelson, 2nd, 146) were the other two and claimed the top two spots, winning \$70 and \$30, respectively. **THE MIGHTY MOBELFAKTA** (Dave F, 3rd, 141) claimed third prize worth \$20. All but one finished with 110 points or more, the highest scoring pool ever (130.6 avg).

[In 1996](#), 19 people participated in the pool. Without the HW-UCLA guys picking nicknames, we had some boring stuff like **JAMES**, **JOSEPH**, and **HEATHER**. That year, the total points tiebreaker was first used to settle ties. A newcomer, **JAYBIAN** (Jason S, 1st, 144) rode Kentucky to a first place prize of \$110. He also set a record going 8-0 for the 3rd round (still the only person today) and never looked back. **BIX PIX TWEY** (Fernando B, 5th, 129), hoping to duplicate last year's effort, fell short of winning money thanks to his loyalty to UCLA. **JOSEPH** (Joseph K, 2nd, 140) and **JAMES** (James L, 3rd, 139) won \$50 and \$30, respectively. Six picked Kentucky that year with just as many picking UCLA (who lost to Princeton in the first round- ouch!). This was the first year someone entered twice (Dave F) and ended up 11th

(**REALISTIC MOBELFAKTA**, 113) and 16th (**THE MIGHTY MOBELFAKTA**, 106). **MM** and **HATE THE DUCKS** (Mark C, 12th, 112) became the 2nd and 3rd people to go 0-for-the- Final-Four. **HATE THE DUCKS** had a 64% chance of winning money heading into the 4th round, and 0% chance after. **THE CHEF** (Douglas H, 19th, 80) set an all-time low in points for a pool at the time.

In 1997, the first real debate on whether to raise the pool fee to \$20 from \$10 was raised. Fortunately, it was defeated in a vote. But, three people did plunk down \$20 to enter twice as 22 entries were received in the third annual pool. Like Dave F before them, the three people went moneyless (Tuan H- **RODERICK** (15th, 97) and **RHODES** (14th, 97); Alvin K- **BAD ASS I** (4th, 111) and **BAD ASS II** (18th, 93); and Dennis K- **LENNY** (6th, 107) and **DUKE** (12th, 99)). This was also the first year no one picked the correct NCAA champion. Arizona, who usually bowed out in the first or second round, surprised everyone, including Kentucky, in winning the championship in overtime. The #4-SE seed beat three # 1 seeds, the first time that's happened. Twelve had picked Kansas and four North Carolina, neither which made the championship game. **MAX** (Sean D, 1st, 116) bounced back from a 15th place finish the year before to win the \$125 top prize. The Selander brothers took 2nd (Brian S, **THE FLYING ELVI**, 115) and 3rd (Jason S, **JAYBIAN II**, 113) for \$60 and \$35, respectively. Jason S became the first person to win money twice (1st in 1996). Todd S. (**FRODO**, 5th, 109) became the first person to lead going into the Final Four and end up with nothing. Just half (11 of 22) finished 100 points or higher.

In 1998, a record 28 entries tried their luck. **ANNA COME LATELY** (Anna, 1st, 126), the last entry we received, seemed like the least likely to win, picking a Utah over UCLA final. Well, Utah surprised the 27 other entrants (no one else even had them in the Final Four) and gave **ANNA COME LATELY** the record top prize of \$150. James L became the 2nd person to win twice taking the \$70 second place prize (**CAVEMAN**, 2nd, 113) while **THE FABONE** (Scott T, 3rd, 110) won money for the first time in four tries to take home \$40. For the first time, a 4th place prize was created and that went to **SCOTTMAN** (Scott H, 4th, 108), which was also the first time the tiebreaker played a part in the top spots as **SCOTTMAN** won the 4-way tie for 4th place. With Kentucky's rally and win over Utah in the final, this was the 2nd straight year no one picked the champion. Sixteen pegged UNC while five hoped for an Arizona repeat. **UTHOPE** (Donald G, 24th, 92) became the 4th person to go 0-7 in the last three rounds. **ANNA COME LATELY**'s 13-point win was the largest margin of victory ever (still stands today). Tuan H once again entered twice with the same results- no money (**STRAIGHT BUTTER**, 10th, 106 and **EN FUEGO**, 13th, 104) extending the drought for dual entries to 0-for-5.

In 1999, a record 36 entries (18 NCAA pool newcomers, 13 pool newcomers if you include those who participated in the World Cup Pool) were received with two dual entries (Scott T- **THE FABONE V** and **FREE FABONE** and Gareth M- **CARSERONI** and **MAJERUS FOR SDSU**). This was the first year the referral program was in effect (free entry for 5 referrals). Mark C (**DARKSHARK**) became the first person to go 0-for-7 in the Final Four twice (1996).

SHARY BOBBINS (Lisa T, 1st, 146) and **CARSERONI** (Gareth M, 3rd, 120) became the 12th and 13th different people to win HWCI NCAA pool money. Scott T (**FREE FABONE**) and Gareth M (**CARSERONI**) broke a streak of winless dual entries with a 2nd and 3rd Place finish in one of their entries. James L (**BIG GAME**, 5th, 117) bid to go 3-for-3 in winning money came falling down with Duke's stunning loss. Three of four people who picked UConn (29 picked Duke) to win it all won money. Rob C (**LUIS ENRIQUE'S ARMADA**, 11th, 113) became the first person to pick the correct champion and lose out to someone who didn't (where the correct champion was picked). Fernando B (**BIG SPIDER BECK**, 4th, 118) had just a 4 in 132 chance to win money and took 4th, his second winning entry ever. Loretta A (**TRUE BRUIN**, 36th, 67) finished with all-time record low in points at the time.

In 2000, a record-tying 36 entries once again tried their luck as 14 newcomers entered. Sam N (**MORALES' MOUNDS**, 122 pts) became the sixth different champion after finishing 26th and 31st in the previous two years. He became the first person to either be tied or in the lead after each of the six rounds. After a record breaking first round that saw two people get 30 of 32 first round games correct, the brackets started to fall apart as no one got more than 3 of 8 Sweet Sixteen games correct and eight people went go 0-7 in the Final Four (just six have done so before (117 entries)). Just one #1 and one #2 seed advanced to the Elite Eight. Dave F (**THE MIGHTY MOBELFAKTA**) returns to the winner's circle with a 2nd Place finish. Scott T (**THE FABONE VI**) won money for a record third straight pool. Beth S (**BETHEON**, 36th, 62) shattered the all-time low in points at the time. Fourteen people pegged Michigan St. as the correct champion. Craig E (**CRAIGS99**) won 4th place in his first pool.

In 2001, a record shattering 59 entries were received by 53 people (21 new people). Robinson C (**TEAM SAMURAI**) won the biggest prize ever of \$280 after finishing 3rd to last (34th) last year. He entered three times and it worked. Three others (Scott T, Mike K, Fernando B) went winless in both of their entries after the last three people to enter twice won money (3-8 overall for those with 2 entries; Robinson is the first 3-time entry-er). Sam N (**B-S FC**), last year's pool champion, and Dylan R (**DYLAN**) become just the 3rd and 4th people to not get at least half the games correct. Four people went 0-7 in the Final Four (just 18 people have done so out of 212 entries) with Donald G (**UTHPOPE**) doing it for the second time (Mark C is the only other person with this dubious distinction). On the flip side, two people (**BINGO** and **PEEPS**) became the first-ever entries to predict all four Final Four teams correctly. Eleven different teams were picked to be the champion with 18 picking Stanford, 15 Duke, and 8 Arizona. In addition to Robinson C, Lisa F (**ARMIN TAMZARIAN**) won for the 2nd time. Bing F (**BINGO**) took 3rd in his second try and Sam P (**JAYHAWK FC**) took home 4th. The top 13 finishers all had Duke winning it all.

In 2002, a record breaking 80 entries were received. A hefty 80 entries from 71 people including 29 new people and 42 returnees. Seven people entered twice and one person entered 3 times but only Scott T managed to take home something, his first pool title in 8 years (**THE FABON8ER**) and largest take ever, \$400, giving him a lifetime total of \$590 and his 4th win (1

1st, 2 2nd, and 3 3rd place finishes). Jeff H (**RANDOM PICKS**) had the largest 1st and 2nd round leads ever (4 and 7 pts) and most pts after 2 rounds (90) but had to settle for 2nd. Ann B. (**LITTLE ANN**) and Paul N. (**KAIZEN**) took 3rd and 4th, with the 4th Place prize of \$70 matching our first ever 1st Place prize of \$70 in 1995. In reference to quantity does not equal quality, Gabriel T (**GOBAY**) and Dan H (**HENDO**) shattered records for lowest point total (49) and worst 2nd round (3-13). Gabriel also set records for worst 2nd Round Saturday (1-7), worst record in 3rd round (0-8), worst record in last 4 rounds (0-15) at the time. **HENDO** set a record for least wins (22) and lowest pt total after 2 rounds (45) (both still standing). Eight people failed to get half the games right (just 4 in previous 7 pools) and eight went 0-7 in the last 3 rounds (just 18 in previous 7 pools). 22 entries chose Duke to win it all but all four winners (out of 17) correctly chose Maryland.

In 2003, with the War in Iraq looming that week, 63 valid entries (including a record 47 returnees) from 58 people were received, our second highest total. With some complaints that four prizes weren't enough, we instituted our first-ever Bonus Prize of \$40 to the entry who picked the winningest conference and number of wins correctly. This allowed 21 extra entries with a chance for money heading into the Final Four. Scott T (**THE FABO9ERS**) won the prize (11th, 110), his fifth win, pushing his lifetime total to \$630. Four people entered twice and none won anything. Cliff T became the first person to enter twice and have both of his entries eliminated after the 2nd Round. Darryn B (**BIG LUTHER**), in his second pool, took home the first place prize of \$280, our 9th different pool champion. John S (**MR. WIZARD**) and Quang P (**KRIMSONGUARD**) took home 2nd and 3rd, respectively, their first-ever wins, and the 23rd and 24th different people to win money. Catrina B (**BLUEBERRY**) had a record-setting perfect first day (16-0) but eventually lost her last 14 games and 26 of the last 31 games to finish in 62nd place. John B (**BLOOMERS123**) also went 16-0 on the first day but finished 27th. Twelve teams were picked to win it all but the overwhelming choices were Kentucky (32 entries) and Arizona (13) but neither team made it to the Final Four. For the first time since the pool started, 3 #1 seeds lost in the Elite 8, and for the second time, no #1 seed was in the Final. With that disaster Elite 8 round, a record 26 entries went 0-for-the-Final Four, matching the previous eight-year combined total of 26 (in 292 entries). No one had more than 2 Final Four teams correctly picked. Robinson C (**TEAM SAMURAI**, 63rd, 72) became the 13th entry to not get more than half the games correct. Fern B (**GALAXY**, 5th, 117) missed money by one point and became just the 2nd entry to get the correct champion (Syracuse) and lose to someone who didn't pick the champion (in years where the correct champion was picked). To add insult to injury, Fern also picked the tiebreaker correctly (which means with one extra point he would have won 4th), just the third person to do so.

In 2004, our 10th anniversary, the pool bounced back and 79 entries were received from 70 people (7 dual entries, 1 3-entries), including a record 54 return entries. Once again, none of the 8 people who entered multiple entries won money. Six different people led after each of the first four days before Bing F (**BINGO**) took over after Rounds 3 and 4. However, after Round 5, Jeff H (**RANDOM PICKS**) took the lead pushing Bing F to no higher than 3rd and in the end, became just the second person to lead going into the Final Four and wind up moneyless.

For the first-time ever, the pool champion was not crowned after Round 5 and we had to wait til after Monday's game to find out who our Pool champion would be. It was Rick F (**FABIO**) who took home the \$370 top prize and became our 10th different champion. Rick F and Darius B (**OMG**), who took 2nd Place, were our 25th and 26th different persons to win money. Dave F (**THE MIGHTY MOBELFAKTA**) took 3rd, his 3rd win ever (total: \$230). Jeff H took the 4th place prize of \$80, his second win, pushing his win total to \$280. Jeff H was also just the third person to ever snatch a money spot away from someone who picked the correct champion (he had Kentucky) beating David S (**SHRINER**, 5th) by one point. After eight winless years, Mike B. (**BUCKEYE MIKE**) finally won something, taking home the \$40 Bonus Prize. Fourteen different teams were picked to win it all, but 2 of the top 3 didn't make it to the Sweet 16 (Stanford (21) and Kentucky (12)). Duke (16) lost in the Semis but eventual champion UConn was picked by 11. Despite only one #1 seed making the Final Four, 17 entries got 3 of the 4 teams correct. Three entries got less than 32 games correct (16 overall). Twelve went 0-for-the-Final-Four (64 overall). A record 5 people got the tiebreaker exact (just happened three times before).

In 2005, the start of our second decade, 82 entries from 73 people (both records) were submitted, including a record 65 returnees. Of the eight who entered at least twice, two won money. Robinson C became the first two-time HWC NCAA Pool champion (2001) winning with his **FLIP FIGHTERS** (140 pts) entry (his 2nd of 3 entries) and taking home a record-tying \$400, giving him a grand total of \$680 (record) over six years (16 total entries). Roy W entered twice and won with his first entry, **KRISPY KREMER**, finishing 3rd in his 4th try. First-time online entry Paul T (**HOOPGURU**) took home 2nd and Patrick N (**KING KLITSCHKO**) took home 4th, winning a 3-way tiebreaker, in his third try. All four entries (Robinson's 1st entry won last time) were first time winners (the last time this happened was in 1996) and all four correctly picked UNC. The three big teams from the ACC (UNC (19), Duke (11), and Wake Forest (8)) were picked by a combined 38 entries compared to the 27 who picked Illinois to win it all. Wake Forest was the only team picked unanimously to go to the Sweet 16, and of course, they failed to do so. With Duke losing in the Sweet 16, that allowed the Big 10 to have the most conference wins and for the first time, no one won the Bonus Prize. That allowed the top 4 prizes to increase, satisfying the winners. A record nine entries were still alive going into the Final and for the second straight year, the pool champ was undecided. Also, for the first time, not one entry was guaranteed money (only Chuck H's **ACE OF SPADES** could win in either case but could lose on a tiebreaker, which he did (lost 3-way tie for 4th) going into the Final). Despite just eight top seeds making the Sweet 16 and three making the Elite 8, a record 20 still managed to pick the final two teams (just 25 in 434 previous entries). Four entries were below .500 (20 overall) and four went 0-for-the-Final-Four (68 overall).

In 2006, our website was down for almost 21 hours but that didn't stop us from receiving a record 85 entries from a record 77 people (and a record 71 entries were returnees). The Big East had a record 8 teams in the tourney but only UConn (39) and Villanova (4) were picked to win it all. Duke (19) and hometown UCLA (9) also were favorites. For the second straight

year, none of the record-tying nine entries were guaranteed to win money and for the third straight year, the champion was not crowned after the semifinals. Taking home a record \$415 was Ken B (**GATORS NEVER CHOKE**) in his seventh try. Other first-time winners included Jake P (**LORENZO MATA**) and John C (**JINX**) who took home \$200 and \$140, respectively. Pat N (**AGENT 86 OF CONTROL**) won 4th place for the second straight year (\$95) becoming just the 10th multiple winner in our pool (total: \$185). No one won the Bonus for the second straight year as the SEC (13), not the Big East, won the most games. For the first time, no #1 seed made the Final Four but five still managed to pick 2 of the 4 teams. However, a record 41 went *0-for-the-Final-Four* (just 68 previously) (all-time low average of 0.58 of 4 teams) and nine were below .500 (29 overall). An all-time low average of just 90.8 points were won by our players.

In 2007, travel interrupted Scott & Dave in not getting the site ready til early Monday, but a record 98 entries from a record 83 people (and a record 72 return entries) came pouring in, including 58 on Wednesday alone. This was the year of records as seven of the top 8 teams made the Elite 8. Van P (**VAN&SAM**) set records for most points (166) and wins (55) and just missed a perfect *Last 15* (perfect Elite 8 onward). She is the rare champion who won despite not picking the NCAA winner because she had such a huge lead (the other three winners had Florida as their champ). She won the first place prize of \$450 before the Final, snapping a streak of three years where the winner wasn't known before the Final. Ann B (**THAI SPICE**) took 2nd (\$230) for her second win and has won a grand total of \$360. Troy B (**SNOOP'S DOGS**) won for the first time (six years) in taking 3rd place (\$155). Don C (**DC944**) returned for the first time in three years and won 4th (\$105). A record-tying 17 entries were still alive going into the Final Four. Four entries had a perfect Elite 8 (just one before) and six had a perfect Final Four (just two before), and 17 had a perfect Final Two, but only VAN&SAM was perfect in all three. The top two picks were Ohio St. (31 picks) and Florida (13) and both made the Final. The pool entrants set records for the best 3rd (70.8%) and 4th rounds (56.6%) ever. For the first time since 1996, the average points went above 110 (121.9). On the other side, four went *0-for-the-Final-Four*. The Bonus was tweaked to add a Bonus2, so that someone will win the Bonus Prize of \$40 but for the first time in three years, someone correctly picked the winningest conference and wins (Wendy B (**BUCKEYE23**) which was the SEC with 11 wins.

In 2008, we didn't have a website for almost six months as we lost our free hosting and now had to pay for a server. We got the web up at the end of February and added a [blog](#). We received a record 101 entries from a record-tying 83 people. Amazingly, 80 of the 101 entries were return entries. We had a record 3 people have triple entries and a record 12 dual entries. We started off strong with 39 entries at the end of Tuesday (including a record 19 on Monday) before slowing down to just beat last year's total of 98. With all 4 #1 seeds making the Final Four for the first time (which helped set a record of 2.52 wins in the 4th Round), a record 24 people were still in the running for money after the Elite 8. This was partially helped by the new addition of a 5th place prize (since we had 100+ entries). The top two #1 seeds were UCLA (44 picked to win it all) and UNC (30) but both lost in the semifinals. Cliff T

(**BELUCKY2**) will try to become the first person to ever get a perfect *Last-7* (all four Final 4 teams + both finalists + champ). Jake P (**QUICKPICK MCGRAW**) became the 114th entry to go *0-for-the-Final-Four* and is the only entry to ever tie or have the lowest win total in each of the six rounds.

JAYHAWKS RALLY FOR FIRST TITLE SINCE '88

Belucky2 wins pool while DC944 and U Betta Believe It return to winner's circle

TUCSON, AZ (smt)- #1MW-Kansas rallied from 9 points down with 2:12 left in [beating #1S-Memphis, 75-68](#), in overtime for the Jayhawks' first title since 1988. First, after a Jayhawk basket, Antonio Anderson stole the inbound pass which led to Sherron Collins' 3-pointer to cut the lead to 4. Then, the Tigers suddenly reverted to their old form and missed 4 straight free throws in the last 1:15 (including the first of a one-on-one). Then KU avoided getting fouled and Mario Chalmers hit a 3-point basket with 2.1 seconds left to send the game into overtime, tied at 63. KU scored the first six points of overtime and never let the Tigers get within three the rest of the way. Kansas jumped to an early 7-point lead and led by 3 at 47-44 before Memphis went on a 16-4 run to lead 60-51. But Kansas closed the half on a 12-3 run in 2:12.

Watched the most of the game at [Sam Hughes' Place](#) in Tucson with about 16 co-workers and a surprisingly pro-Kansas crowd. So when Chalmers hit the 3, the place went crazy as we headed to OT. The place had dozens of HDTVs (though only regular TV in the bathrooms) so you can watch from any angle at our table. Watching it live, I was questioning why Derrick

Rose's circus bank shot (c'mon! if Memphis would've won it would have left the same bad taste in my mouth as Eli's Hail Mary throw in the 4th quarter of the Super Bowl) was ruled a 3-pointer. Sure enough, as we come out of commercial, the refs reversed it. One crucial point.

That one crucial point helped Cliff T (**BELUCKY2**) win the [14th HWC NCAA Pool with 146 points](#) and sent Robinson C's (**FLIP FIGHTERS**) bid to top the all-time earnings mark of \$1,000 home. He also became the first person to ever have a perfect *Last-7* (all 4 Final Four teams, both finalists, and the champ correctly picked) and won his last 10 games overall. He won just 44 games (and just 5 of 8 Elite 8 teams) while two (**JUNO INO** and **FLYING ACE** (who finished 11th) won 47. The 3 wins is the largest margin for a winner (for most points) who did not have the most wins.

The overtime added 17 points (total: 143) which was enough to give Bob G (**COBI'S DAD**) the tiebreaker and 2nd place over Doug H (**JUNO INO**) who took 3rd. The top 3 winners are all first-time winners (Cliff & Bob's 1st wins in 10 pools; Doug's 1st in five pools). Don C (**DC944**) won 4th place for the second straight year (total: \$205 in 3 pools) winning the tiebreaker over Jeff H (**U BETTA BELIEVE IT**), who won for the 3rd time (total: \$340 in 6 pools) in taking our first-ever 5th place prize. Three of the 7 who picked Kansas won money. Jake P's **JOHNNY APPLEHIGHSEEDS**, which was picked by highest seed, finished 6th, just one point of money (ooh, what change could he have made? Just *one* extra 1st round win would have given him 4th place). Once again, picking the top seeds does not yield money (and hasn't since 1996, a measly \$60).

The Jayhawk win gave the Big 12 12 wins [for the winningest conference title](#) for the second time since 2003. Four people were eligible for the Bonus Prize which was won by Robby D (**ARBEDYTHREE**), also a first-time winner (4th year).

PRIZE	MONEY	NAME	ENTRY
-----	-----	----	-----
1st Place	\$440	Cliff T	Belucky2
2nd Place	\$220	Bob G	Cobi's Dad
3rd Place	\$150	Doug H	Juno Ino
4th Place	\$100	Don C	DC944
5th Place	\$ 60	Jeff H	U Betta Believe It
Bonus	\$ 40	Robby D	ArbedyThree

Notes / •••••: Once again, Kansas had more turnovers than its opponent, this time 17-13 (last game: 19-18)... Once again, Kansas scored 50 points in the paint so it looked doubtful KU could come back by hitting 3-pointers but only needed two in the final minutes... Memphis had hit 75% (9-12) of their free throws before missing those critical four in a row (lost 5 points as one was a front end of a one-and-one)... this is the 3rd straight year the Champ has come out of the Midwest Regional... all four teams (Memphis with 38 this year) who have won 37 or

more games failed to win the championship... Kansas and Memphis were picked by 7 (each)... **FABIO** was the lowest placed entry (73rd) who picked Kansas... **POOLRAIDER** has picked 3 of the last 4 champions (only Lisa F had that type of run (1999-2002))... had Chalmers not hit the game-tying shot, the 123 points would have caused two women, Yumi S (**9ERS IN 09**) and Nikki N (**BLUESTARS1996**), to split the \$40 prize (*Bonus2*)... there was a record 9-way tie for 32nd place (116 pts)... **BRACKET BUSTER**, **SANTANA**, and **XK2XBOILX** all correctly picked 143 points (sorry, no prizes for that)...

Chalmers sends Kansas to OT title game win over Memphis

April 7, 2008

CBSSports.com wire reports

SAN ANTONIO -- Memphis kept missing. Mario Chalmers wasn't about to.

Chalmers' 3-pointer with 2.1 seconds left in regulation put the game in overtime, and Kansas pulled away to a 75-68 victory on Monday night for its first national championship since Danny and the Miracles 20 years ago.

Mario and the Miracles? That has a good ring to it, too.

Chalmers' game-saving 3 came after Memphis missed four of five free throws that would have put the game and the title out of reach. It completed a comeback from nine points down with 2:12 left.

"It'll probably be the biggest shot ever made in Kansas history," Kansas coach Bill Self said.

The ending made a mockery of Memphis coach John Calipari's theory that his players, one of

the country's worst with 59 percent free-throw shooting, didn't have to be good because they would always come through when the stakes were highest.

"It will probably hit me like a ton of bricks tomorrow, that we had it in our grasp," Calipari said.

All those bricks meant something in a game where every point counted. So did Derrick Rose's two-point shot off glass initially ruled a 3 -- and correctly overturned -- with 4:15 left.

Nothing about Chalmers' 3-pointer was in doubt.

"I had a good look at it," he said. "When it left my hands it felt like it was good, and it just went in."

Although Chalmers will go down in history, the most memorable overall performance came from Rose, the Memphis freshman, who completely took over the game in the second half, scoring 14 of his team's 16 points during one stretch to lift the Tigers to a 60-51 lead with 2:12 left.

But Kansas (37-3) used the strategy any smart opponent of Memphis' would -- fouling the heck out of one of the country's worst free-throw-shooting teams -- and when Rose and Chris Douglas-Roberts made only one of five over the last 1:12, it left the door open for KU.

"Ten seconds to go, we're thinking we're national champs, all of a sudden a kid makes a shot, and we're not," Calipari said.

Hustling the ball down the court with 10.8 seconds left, no timeouts and trailing by three, Sherron Collins handed off to Chalmers at the top of the 3-point line, and Chalmers took the shot. It hit nothing but net and tied the score at 63.

Robert Dozier missed a desperation heave at the buzzer, and Rose went limping to the bench, favoring his right leg. Brandon Rush, Darrell Arthur and Darnell Jackson scored the first six points of overtime to put Kansas ahead 69-63.

Memphis, clearly exhausted, didn't pull any closer than three the rest of the way. Rose played all 45 minutes in what could very well be his last college game.

"Overtime, they kind of beat us down," Calipari said. "I didn't sub a whole lot, because I was trying to win the game at the end."

Arthur was dominant inside, finishing with 20 points and 10 rebounds, lots on dunks and easy layups off lob passes. Chalmers finished with 18 points. Rush had 12 and Collins had 11 points, six assists and did a wonderful job shutting Rose for the first 28 minutes.

Rose wound up with 18 points in a game that showed how ready he is for the NBA. He was 3-

for-4 from the line, however, and that one miss with 10.8 seconds left is what almost certainly would have sealed the game and given the Tigers (38-2) their first title.

"It wasn't really the free throws," Rose said. "If we'd done things before the free throws, we would've been in good shape."

Instead, the title goes back to Lawrence for the third time in the fabled program's history.

The inventor of the game, James Naismith, was the first Jayhawks coach. It's the school that made household names of Wilt Chamberlain, Manning -- and yes, even North Carolina's Roy Williams, the coach who famously left the Jayhawks, lost to them in the semifinals, but was, indeed, in the Kansas cheering section Monday wearing a Jayhawks sticker on his shirt.

After the game, Self didn't exactly end speculation that he might also bail for his alma mater, Oklahoma State.

"I'm not going to say that couldn't potentially happen because I guess it potentially can," Self said.

This game was not about coaches or side stories, though. It was about the game, and what a dandy it was -- a well-needed reprieve from a more-or-less blah tournament in which 42 of 63 games were decided by double digits.

This was the first overtime in the title game since 1997, when Arizona beat Kentucky 84-79.

"Being up seven, being down nine, being up two, down five, going to overtime," Kansas center Cole Aldrich said. "We fought it out, and it's surreal. It's nuts."

Rose went crazy during Memphis' second-half run. A 3-pointer here, a scooping layup for a three-point play next. Then, the capper, an off-balance, 18-foot shot off glass with the shot-clock buzzer sounding. Officials at first credited Rose with a 3, but went to the replay monitor and saw he was clearly inside the line.

Even with the point deducted, Memphis has a 56-49 lead and all the momentum. Most teams would have been demoralized.

Clearly, Kansas is not most teams.

In fact, the Jayhawks are a team that has come together in tragedy over the last several months. The deaths of friends and family of Jackson, Sasha Kaun and Rodrick Stewart all cast a bit of a pall over this team, making Jackson wonder at times if staying at Kansas was even worth it.

Just when the Jayhawks looked to be moving past their bad times, Stewart fractured his kneecap, a freak accident during Kansas' practice Friday at the Alamodome.

But it was another injury that might have been most responsible for blending this championship formula. Rush tore up his knee during a pickup game last May, and his NBA plans were put on hiatus.

He worked his way back into shape this season and is playing his best right now. He didn't have the most impressive stat line of the night, but it hasn't all been about stats for him in this, his junior season. His defense was stellar, as usual, and surely his experience and resolve played into Kansas' refusal to go away.

He set the table.

Chalmers got the glory.

"That has to be one of the biggest shots in basketball history," Stewart said.

Issue # 17.6.2 "Grandpa Cliff T Claims 1st Win"

JAYHAWKS' MONKEY OFF BACK; NOW ON UCLA?

Final musings on a boring tournament that ended with a bang

TUCSON, AZ (smt)- The Kansas-Memphis game nearly single-handedly saved a rather boring tournament where double-digit wins were the norm and all #1 seeds made the Final Four. Memphis hid their Achilles' heel well for 5.975 games but eventually the truth caught up to them and their four consecutive missed free throws were their downfall (spectacularly). Kansas' coach Bill Self shed his own *best coach never to win the big one* title and helped Kansas get their own monkey off their back with their first title in 20 years. So which team takes the monkey now? UCLA, who if they make the Final Four next year and fail to win the championship will be compared to the 4-time loser Buffalo Bills? And will Darren Collison and freshman Kevin Love return? With 7 freshmen already leaving school early with 4 others possibly right behind them, I don't like it. I don't blame the kids for taking the money, but sometimes having these "super" freshmen skew the competition too much, much like what happened when the Olympics starting using professional basketball players. I like familiarity so it would be nice to see some college stars for 2-3 years (except for Tyler Hansbrough, who I'm already tired of hearing about).

Congrats to [my son's](#) grandpa Cliff T (\$440), MLSBob Bob G (\$220), Iron Chef San Gabriel Doug H (\$150), and one of many Dunigan reps Robby D (\$40 Bonus) for winning their first prize in our humble tourney. Congrats to my co-worker's-friend-of-a-friend Don C (\$100) and co-worker Jeff H (\$60) for making return trips to the winner's circle. Jeff should be especially thankful as we added the [5th place prize this year](#). Cliff's our 13th different HWCi NCAA Pool Champion. A total of 41 people have won money in our pool. Jeff's third win ties David F for second place (behind Scott T's

five wins but none since 2003).

What it was...

BEST HAIR: Arkansas' [Stephen Hill](#) though Stanford's [Robin Lopez](#) (with bonus points if dating Michelle Wie) is up there.

BUZZER BEATER: Yes, for just the second time in 5 years, a true buzzer beater as Western Kentucky's Ty Rogers hit a long 26-foot 3-pointer at the buzzer in overtime to send fan favorite Drake home early.

FAN FAVORITE: No longer is it Gonzaga. Nor was it the most likely successor Drake. It was 10th seed Davidson who fought its way til the last buzzer in the Elite 8.

SIZE DOESN'T MATTER: Memphis' loss now makes it 0-4 for teams who have won 37 or more games.

PRECURSOR TO 2008-9?: Kansas only hit 3 three-pointers vs Memphis (2 in the last 2 minutes of regulation) and just 5 vs their big win vs. UNC. Memphis just hit 4 in their win vs. UCLA. With the line being moved back one foot this fall, the two finalists have shown they can win without the long bomb (unlike Oregon who missed 18 in a row and Duke who missed 15 straight).

NO GAME: How is it that in San Antonio, home of this year's Final Four, the NCAA game on the radio was pre-empted by... hockey? And how here in LA, the NCAA game on the radio was pre-empted by... Clippers basketball (that's debatable if they are playing real bball)? I can't catch a break.

BACK-AND-FORTH: The Tigers and Jayhawks switched momentum so many times in the last few minutes of regulation, I was dizzy (with excitement). Memphis missed the front end of a one-and-one, go Kansas! Memphis misses layup, Kansas comes down and layup attempt is blocked, go Memphis! Memphis misses two free throws, go Kansas! Memphis gets rebound on missed free throw, go Memphis! Memphis misses first free throw, go Kansas! Memphis makes second free throw, go Memphis! Kansas hits game-tying 3-pointer, go Kansas (which carried into overtime). *Whew.*

COMEBACK I: Kansas' rally from 9 points down in just over 2 minutes is the stuff dreams are made of. I was commenting (somewhat hollowly) at the restaurant to a co-worker that despite the 35 second clock it always seems like it is easy for a team to come back. *Ding.*

COMEBACK II: **BELUCKY2** had just [a 1 in 32 chance](#) to finish in first (as did his final 1st place competitor **FLIP FIGHTERS**) and accomplished that, moving from a tie for 36th place to 1st in five games... **COBI'S DAD** had just a 1 in 32 chance to win money and also did that going from a tie for 71st (!) place to 2nd (thanks to Bob G for catching this) in just five games.

ENDING ON A STREAK: BELUCKY2 won his last 10 games (a record to end the tourney) while **QUICKPICK MCGRAW** lost his last 7 games.

GUTSY PICKS: QUEENB was [the only one to pick](#) Western Kentucky to make the Sweet 16 while **LUSTIFULLY N LONDON!** was the only one to pick Davidson to make the Elite 8 and was a Stephen Curry basket away (he passed up the final shot) from his pick of the Wildcats in the Final Four.

LAZY PICKS: For those who just pick all #1 seeds to make the Final Four, this was the first year it came true (12 entries had this). For the 38 who picked the top two consensus UCLA-UNC final, sorry.

FOILED: The [heavy favorites](#) were UCLA (44 to win it all) and UNC (30) but it was the tied for third picks (Memphis & Kansas with 7 each) who made the Final which still kept the pool interesting until the final buzzer (literally, as Kansas' last two free throws pushed Jeff from 4th place to 5th (losing the [tiebreaker](#))).

The latest daily pool information can be found on the official site: <http://www.HWCI.com/ncaa> and on our blog at <http://www.HWCI.com/wordpress>.

The cycle begins again in March...

#On May 8, 1997, the NCAA Executive Committee voted to negate the Minutemen's 1996 NCAA Tournament record, for Marcus Camby's acceptance of agents' improper gifts. The 35-2 record was reduced to 31-1, and the UMass slot in the Final Four is officially marked as "vacated." The Final Four trophy, banner and 45% of tournament revenue were returned to the NCAA. Camby reimbursed the school for the \$151,617 in lost revenue.
